Concise summary of the standard terms of delivery and sale.

This concise summary forms an integral part of the standard conditions of Hoco Parts B.V. which are lodged at the Chamber of Commerce in Arnhem and apply to all (legal) acts by Hoco Parts B.V. and the buyer.

Prices

Our prices are at all times excluding value added tax (VAT), are without any obligation, and are not binding.

Delivery

Goods with a net value of at least € 150,- excluding VAT will be delivered freight paid in the Benelux.

With respect to smaller orders and cash on delivery orders, Hoco Parts B.V. reserves the right to charge carriage and handling costs.

Payment

Payments will be cash unless explicitly otherwise agreed.

The title of the goods will only pass to the buyer if and after he has paid all amounts due to Hoco Parts.

Complaints

Complaints concerning delivered goods should be received by us no later than within 8 days.

Returns

Returns are only allowed after approval by Hoco Parts B.V. and have to be sent to us freight paid and with an accompanying letter.

Verkort overzicht algemene leverings- en verkoopvoorwaarden.

Dit verkorte overzicht is een integraal onderdeel van de algemene voorwaarden van Hoco Parts B.V. welke gedeponereerd zijn bij de Kamer van Koophandel te Arnhem, en zijn van toepassing op alle (rechts)handelingen van Hoco Parts B.V. en afnemer.

Prijzen

Onze prijzen zijn steeds exclusief omzetbelasting en geheel vrijblijvend, zij binden ons niet.

Levering

Goederen met een netto waarde van minimaal € 150,- exclusief omzetbelasting worden in de Benelux franco huis geleverd. Bij kleinere bestellingen en bestellingen onder rembours houdt Hoco Parts B.V. zich het recht voor om vracht- en behandelkosten te berekenen.

Betaling

Betalingen geschieden, tenzij uitdrukkelijk anders overeengekomen à contant. Het eigendom van de goederen gaat eerst over op de koper indien en nadat deze al het verschuldigde jegens Hoco Parts B.V. heeft voldaan.

Reclames

Reclames over geleverde goederen dienen met uiterlijk 8 dagen ons te bereiken.

Retourzendingen

Retouren zijn alleen dan toegestaan na goedkeuring door Hoco Parts B.V. en dienen franco aan ons te worden verzonden.

Résumé des conditions générales de livraison et de vente.

Le présent résumé fait partie intégrale des conditions générales de Hoco Parts B.V. déposées auprès de la Chambre de commerce d'Arnhem, et qui régissent tous les actes (juridiques) de Hoco Parts B.V. et du client.

Prix

Nos prix s'entendent toujours hors T.V.A. et sont entièrement facultatifs, ils ne nous engagent donc pas.

Livraison

Les marchandises d'une valeur nette de € 150,- minimum hors T.V.A. sont livrées au Benelux franco de port à domicile. En cas de commandes inférieures à ce prix et de commandes contre remboursement, Hoco Parts B.V. se réserve le droit de facturer des frais de transport et de maintenance.

Paiement

Les paiements se font au comptant, sauf convention expressément contraire. La propriété des marchandises n'est transférée à l'acheteur que lorsque et après que ce dernier s'est acquitté envers Hoco Parts B.V. de tout ce qu'il lui devait.

Réclamations

Toute réclamation concernant les marchandises livrées doit nous parvenir dans les 8 jours au plus tard.

Renvois

Le renvoi des marchandises n'est autorisé qu'après approbation de Hoco Parts B.V., et doit être effectué franco de port et accompagné d'une lettre d'accompagnement.

PLATINUM (Road/Straat/Route)

An organic compound for high performance road use that uses the technology gained from Ferodo's world racing programme.

Ferodo gebruikt voor de Platinum-serie een speciaal mengsel van organische materialen.

Matériau organique conçu pour une utilisation routière, dérivé de la technologie Ferodo acquise en compétition.

SINTER GRIP (Road/Straat/Route) *

A full metal compound that is the world leader in sintered technology.

Suitable for stainless steel discs only!

Remblokken van gesinterd metaal staan borg voor prestaties waarvan tot voor kort alleen maar gedroomd kon worden.

Uitsluitend geschikt in combinatie met roestvrijstalen schijven!

Un matériau tout métal produit avec la technologie du métal fritté.

Matériau adapté uniquement aux disques en acier inoxydable!

DRC393 (Off-road / Tout terrain)

DRC (Dirt Racing Compound) offers a range of benefits perfectly suited for competitive off-road use.

DRC (Dirt Racing Compound) biedt veel voordelen en is uitermate geschikt voor off-road (race) gebruik.

Le matériau de friction DRC (Dirt Racing Compound) offre une série d'avantages parfaitement adaptés à la compétition tout terrain.

SINTER GRIP (Off-road / Tout terrain) *

This is the new full metal compound that is becoming the world leader in sintered off-road technology.

Suitable for stainless steel discs only!

Remblokken van 100% gesinterd metaal, speciaal ontwikkeld voor off-road gebruik.

Uitsluitend geschikt in combinatie met roestvrijstalen schijven!

Voici le nouveau composite en voie de devenir le leader mondial dans le domaine de la technologie du métal fritté tout terrain.

Matériau adapté uniquement aux disques en acier inoxydable!

* Warning Sintered pads: Suitable for stainless steel discs only! Uitsluitend geschikt in combinatie met roestvrijstalen schijven! Matériau adapté uniquement aux disques en acier inoxydable!

COMPOUNDS

CP911 / CP211 / CP1 (Racing)

Ferodo's racing materials have had more wins over the past 50 years than any manufacturer in the world.

Met Ferodo remblokken zijn de afgelopen 50 jaar meer races gewonnen dan met welke andere remblokken ook.

Depuis plus de 50 ans, les plaquettes de frein Ferodo compétition ont plus de victoires à leur actif que n'importe quel autre fabricant au monde.

SINTER GRIP XRAC / ZRAC * (Racing)

XRAC is an evolution of the highly successful XR range. The unique array cooling (AC) concept means that the pads runs at lower temperatures than conventionally featured pads.

XRAC is een doorontwikkeling van de succesvolle XR range. Het uniek array cooling (AC) concept zorgt voor lagere werktemperaturen vergeleken met conventionele remblokken.

XRAC est la plus récente évolution de la désormais connue gamme XR. Son concept particulier Array Cooling (suffixe AC) signifie que les plaquettes XRAC atteignent une température de fonctionnement très inférieure aux plaquettes conventionnelles.

SCOOTER

This organic compound is designed as original equipment for today's high performance scooters.

Deze remblokken van organisch materiaal zijn gemaakt om de moderne scooters optimaal te laten remmen.

Ce matériau organique correspond à la qualité de l'équipement d'origine et est spécialement développé pour les scooters.

FERODO DISCS

DISC TYPES

RX DISCS

All discs are manufactured with a laser cut, heat treated high carbon stainless steel.

A full floating disc, alloy carrier, designed to eliminate warping from overheating.

Alle remschijven zijn geproduceerd uit hoogwaardig roestvrij staal.

Volledig zwevende remschijf voorzien van lichtmetalen hart. Ontworpen om kromtrekken door oververhitting te voorkomen.

Tous les disque de frein FERODO sont fabriqués en acier inoxydable à haute teneur en carbone.

Disque flottant avec frette centrale en alliage, conçu pour éviter le voilement en cas de surchauffe du disque.

RF DISCS

A full floating disc, steel carrier, designed to eliminate warping from overheating.

Volledig zwevende remschijf voorzien van stalen hart. Ontworpen om kromtrekken door oververhitting te voorkomen.

Disque flottant avec frette centrale en acier, conçu pour éviter le voilement en cas de surchauffe du disque.

R DISCS

A Standard, one piece disc, designed to increase performance and wear over OE.

Standaard remstalen schijf ontworpen voor een verhoogd remvermogen.

Disque fixe standard en une pièce, conçu pour augmenter et améliorer performance de freinage et usure par rapport au matériau d'origine.

RPF DISCS

Disc with steel carrier, designed to achieve minimum warping. High polished treatment for custom bikes.

Zwevende stalen remschijf ontworpen voor een verhoogd remvermogen. Gepolijst voor gebruik op customs.

Disque flottant avec frette centrale en acier, conçu pour éviter le voilement en cas de surchauffe de disque, avec traitement additionnel de polissage, particulièrement recherché pour son aspect brillant requis pour le motos de type "Custom".

Ultra low friction Fork Seal Kits by SKF

SKF seal kits for motorcycle forks consist of an oil seal and a wiper seal developed to achieve superior sealing performance without stiction.

The oil and wiper seals, which are made from a new self-lubricating compound, have been specially designed to provide the following benefits:

- compatible with a wide range of original equipment and aftermarket oils
- increase seal life and performance
- enhance water and dirt protection capability and withstand UV light
- maintain low and constant friction in operation
- reduce wear and air suction.

Each SKF seal kit includes 1 oil seal + 1 dust seal. To rebuild both fork legs you need to order 2 seal kits.

NUT LOCK 243

Threadlocking and sealing of all types of metal threaded fasteners. Prevents loosening by vibrations. Parts can be separated using hand tools. Temperature Range: -55 to +150°C. Cure speed at 22°C, 10 to 30 minutes. Color: Blue.

5 ml 83 31780
24 ml 83 34125
Stick 83 38273

Borgen en afdichten van alle soorten metalen schroefdraad-verbindingen. Voorkomt loslopen bij trillingen. Demontage met handgereedschap mogelijk. Temperatuurbestendigheid: -55 tot +150°C. Uitharding bij 22°C, 10 tot 30 minuten. Kleur: Blauw.

Voor borgen van schroeven van vliegwielen, carburateurs, steunbouten, drijfstangkoppen enz.

MEDIUM THREAD LOCKING

Freinage et étanchéité d'éléments filetés métalliques. Empêche le desserrage par vibrations. Démontage possible à l'aide d'outillage habituel. Plage de températures: -55 à +150°C. Polymérisation en 10 à 30 minutes à 22°C.

Couleur: bleu.

Pour le freinage de vis de pompes ou de moteurs, écrous de cache-culbuteurs, vis de carters de boîtes de vitesses ou de presse, etc.

STUD LOCK 2701

Threadlocking and sealing of all types of metal threaded fasteners. Prevents loosening and corrosion. Recommended for permanent locking. Heat up to 300°C for disassembly. Temperature Range: -55 to +150°C. Cure speed at 22°C, 10 to 30 minutes. Color: Red.

5 ml 83 31781
50 ml 83 22487

Borgen en afdichten van alle soorten metalen schroefdraad-verbindingen. Voorkomt los-trillen en corrosie. Aanbevolen voor permanente borging. Voor demontage verwarmen tot 300°C. Temperatuurbestendigheid: -55 tot +150°C. Uitharding bij 22°C, 10 tot 30 minuten. Kleur: Rood.

Voor borgen van tapeinden en andere zwaarbelaste verbindingen.

STRONG THREAD LOCKING

Freinage et étanchéité d'éléments filetés métalliques. Empêche le desserrage par vibrations ou corrosion. Recommandé pour le blocage permanent. Avant démontage chauffer jusque 300°C. Plage de température: -55 à +150°C. Polymérisation en 10 à 30 minutes à 22°C.

Couleur: rouge.

Pour le blocage permanent de goujons et boulons sur blocs-moteurs, corps de pompes.

HYDRAULIC SEALANT 542

Thread Sealant for hydraulic and pneumatic systems. For metal pipe with fine threads to 3/8". Medium viscosity for small connectors. Temperature Range: -55 to +150°C. Cure speed at 22°C, 60 minutes. Color: Purple.

10 ml 83 54221

Schroefdraadafdichting voor hydraulische en pneumatische systemen. Voor metalen leidingen met fijne draad tot 3/8". Gemiddelde viscositeit voor klein fitwerk. Temperatuurbestendigheid: -55 tot +150°C. Uitharding bij 22°C, 60 minuten. Kleur: Paars.

GASKETING

Pour l'étanchéité de raccords dans les circuits hydrauliques et pneumatiques. Pour pièces en metal avec filetages fins jusqu'à 3/8". Viscosité moyenne, pour petits raccords en general. Plage de température: -55 à +150°C. Polymérisation en 60 minutes à 22°C.

Couleur: pourpre.

FLEXIBLE GASKETING 518

Sealing of smooth metal parts. Fills gaps up to 0,5 mm. Does not drip or leak on vertical surfaces. Temperature Range: -55 to +150°C. Cure speed at 22°C, 30 to 60 minutes. Color: Red. For sealing gearboxes, water pumps, fuel pumps and strong vibrating parts.

50 ml 83 18966

Afdichten van vlakke metalen delen. Vult spelingen tot 0,5 mm. Loopt niet uit en druipt niet weg bij verticale toepassing. Temperatuurbestendigheid: -55 tot +150°C. Uitharding bij 22°C, 30 tot 60 minuten.

Voor afdichten van versnellingsbakken, waterpompen, benzinepompen en sterk trillende delen.

GASKETING

Pour l'étanchéité de plans de joints rigides. Remplit des jeux jusque 0,5 mm. Peut être appliqué sans risque de coulure sur des surfaces verticales. Plage de température: -55 à +150°C. Polymérisation en 30 à 60 minutes à 22°C.

Couleur: rouge.

Pour l'étanchéité de pompes, manchons, boîtes de vitesses et carters, pièces soumises aux vibrations.

RETAINER 603

RETAINING

Loctite 603 is designed for the bonding of cylindrical fitting parts, particularly where consistently clean surfaces cannot be assured. The product cures when confined in the absence of air between close fitting metal surfaces and prevents loosening and leakage from shock and vibration. Typical applications include retaining roller bearings or oil impregnated bushings into housings. Up to 150°C.

Loctite 603 is een snel uithardende lijm met grote sterkte, die wordt gebruikt voor het lijmen van stijve metalen delen.

Loctite 603 is na 10 minuten op verwerkingssterkte en is ideaal voor gebruik bij delen met ruimten tot 0,1mm en is bestand tegen temperaturen tot 150°C. speciaal voor een ondergrond waar onvetten moeilijk is.

Loctite 603 est un adhésif de fixation des assemblages cylindriques, particulièrement lorsqu'il n'est pas possible de nettoyer et de garantir la propreté des pièces. Le produit polymérise lorsqu'il se trouve confiné en l'absence d'air entre des surfaces métalliques avec un faible jeu. Il a pour fonction d'empêcher le desserrage et les fuites dus aux chocs et aux vibrations. Ce produit est utilisé pour des applications de fixation de roulements ou de bagues auto-lubrifiantes dans leurs logements. Max 150°C.

HYSOL FAST EPOXY 3450

BONDING

Hysol 3450 is a two component epoxy adhesive which cures rapidly at room temperature after mixing. It is a metal bonding adhesive which develops high strength. The gap filling properties make this adhesive system suitable for rough and poorly fitting surfaces made from metal, ceramic, rigid plastics or wood. Temperature range: -55 °C - +100 °C.

Hysol 3450 is een 2 componenten epoxylijm. Voor een snelle en sterke verlijming van metaal, glas, hout en kunststof. Vult spelingen op en is daardoor uitermate geschikt voor het lijmen van materialen met ruwe oppervlakken. Temperatuurbereik: -55 °C - +100 °C.

Hysol 3450 est un adhésif époxy bicomposant qui polymérise rapidement, après mélange, à température ambiante. Les propriétés de remplissage rendent ce système d'adhésif particulièrement adapté pour des pièces rugueuses ou mal ajustées en métal, céramique, bois ou plastique. Plage de température: -55 °C - +100 °C.

ACTIVATOR 7649

ACTIVATOR

7649 Activator is used where increased cure speed of LOCTITE anaerobic products is required. It is especially recommended for applications with passive metals or inert surfaces and with large bond gaps. LOCTITE 7649 is particularly recommended when prevailing temperature is low (<15 °C).

7694 Activator wordt gebruikt wanneer een snelle droogtijd van LOCTITE anaerobe producten gewenst is. Gebruik wordt aangeraden bij grotere spelingen of wanneer de omgevingstemperatuur lager is dan 15 °C.

7649 Activator est utilisé lorsqu'il est nécessaire d'accélérer la vitesse de polymérisation des produits LOCTITE anaérobie. Ceci est particulièrement recommandé pour les applications sur métaux passifs, surfaces peu actives, ou avec des jeux importants. LOCTITE 7649 est aussi fortement recommandé lorsque la température ambiante de mise en oeuvre de l'adhésif est inférieure à 15 °C.

FREEZE AND RELEASE 8040

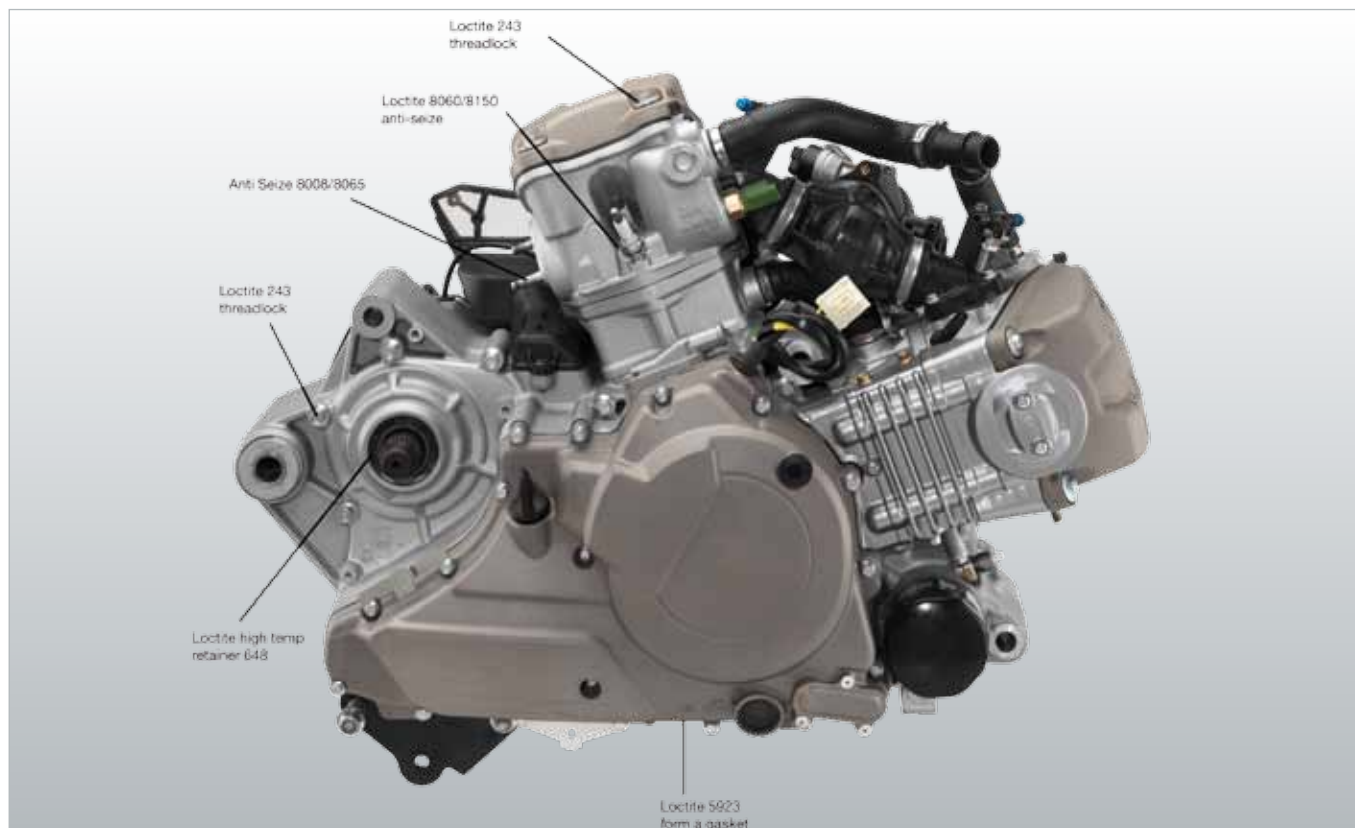

REPAIR

8040 Freeze and Release is a special mineral oil formulation to free rusted, corroded and seized parts. The shock-freezing effect will cool parts instantly down to -43 °C and cause microscopic cracks in the layer of rust. This allows the lubricating ingredients to wick directly into the rust by capillary action. Released parts remain lubricated and protected from corrosion.

8040 Freeze and Release koelt onmiddellijk vast gevreten en gecorrodeerde onderdelen(bouten, moeren, schroeven) tot -43°C. De exceptionele bevroerende werking door thermoshock veroorzaakt microscopische barsten in de roestlaag, waardoor de smerende bestanddelen onmiddellijk door capillariteit in de roest doordringen. De verbinding kan daarna na 1-2 minuten gemakkelijk losgemaakt worden zonder grote inspanning.

Freeze and Release est une formulation minérale huile spéciale pour débloquer les pièces rouillées, corrodées et saisies. L'effet de choc congélation refroidir les pièces instantanément jusqu'à -43 °C. Cela permet les ingrédients de lubrification à mèche directement dans la rouille par action capillaire. Paru pièces restent lubrifiées et protégées contre la corrosion.

EXL Mineral 10W-40 / 20W-50

EXL features the highest quality base oils and exclusive Bel-Ray additive chemistry to provide excellent wear protection for all engines, transmissions and clutch components. EXL reduces engine deposits and improves efficiency. EXL's exceptional shear resistance means it won't break down in transmissions and high revving engines. Provides smoother, quieter running.

EXL is samengesteld uit de beste minerale basisoliën waaraan het unieke Bel-Ray additieven pakket is toegevoegd. Hierdoor is een motorolie met een goede HTHS (high temperature high shear) stabiliteit verkregen. Bel-Ray is geformuleerd voor motorrijders die een stabiele olie wensen waaraan hoge eisen kunnen worden gesteld. EXL is geschikt voor zowel lucht- als watergekoelde viertaktmotoren.

API SM, JASO MA2

EXL est l'huile de base, diffusé partout dans le monde et destinée aux passionnés de moto. Elle associe des huiles de haute qualité et des additifs chimiques hautes pressions et anti-usure exclusifs à Bel-Ray. Ceux-ci garantissent d'excellentes performances et protection de tout les composants du moteur, de la transmission et de l'embrayage.

EXS Synthetic Ester 10W-40 / 10W-50 / 5W-60

EXS is specifically formulated to provide unsurpassed protection and performance for all motorcycle engines. Developed in world championship superbike competition, EXS uses high polarity synthetic base oils and Bel-Ray's exclusive anti-wear chemistry to protect engine, transmission and clutch components under the most severe stress and temperatures.

EXS is specifiek samengesteld voor onovertroffen bescherming en prestaties in alle motoren. Het is ontwikkeld bij de wereld- kampioenschappen superbike competitie. EXS is samengesteld uit hoogpolaire synthetische basisoliën en Bel-Ray's exclusieve additievenpakket ter bescherming van de motor, de versnellingsbak en de koppeling onder de zwaarste omstandigheden en bij hoge temperaturen.

API SM, JASO MA2

EXS Développée en Championnat du Monde Superbike, l'huile Bel-Ray EXS, 100% synthèse, se caractérise par des huiles de base synthétiques à forte polarité et des additifs anti-usure exclusives, qui protègent tout les composants du moteur, de la transmission et de l'embrayage, même dans les conditions de pression et de températures les plus sévères.

4T Thumper Synthetic Ester Blend 10W-40 / 15W-50

Bel-Ray Thumper 4T Racing Motor Oil is specifically engineered for modern 4-stroke single cylinder multi-valve racing engines requiring maximum anti-wear protection for valve-trains, rings, cylinders, and pistons. A combination of synthetic esters and highly refined petroleum base oils releases maximum horsepower while providing consistent clutch performance even in the presence of fuel blow-by.

Bel-Ray Thumper Racing Motor Oil is een hoogwaardige semisynthetische multigrade 20W-50 motorolie. Deze olie is speciaal ontwikkeld voor de moderne ééncilinder 4-takt motoren die de Motocross en Supermotard races domineren. Geschikt voor alle lucht- en vloeistofgekoelde ééncilinder meerkleps 4-takt competitie motoren. Voor alle motoren met gescheiden of gecombineerde versnellingsbak.

API SM, JASO MA2

Bel-Ray Thumper 4T Racing Motor Oil est un lubrifiant tout spécialement destiné aux motos 4 temps modernes, dotes de moteurs compétition monocylindre et multi-soupapes, qui requièrent une protection maximale. Par l'association d'un composant synthétique, l'Ester, et l'huiles de base hautement raffinées, il favorise au maximum la puissance du moteur, tout en garantissant un embrayage constamment performant, y compris en cas de blow-by.

Thumper Works Synthetic Ester 10W-50

Bel-Ray Works Thumper Racing Full Synthetic Ester 4T Engine Oil is a 4-stroke synthetic motorcycle racing oil that has been developed for full works competition use and is designed to withstand extreme racing conditions. Full synthetic ester base oils withstand the highest temperatures and stresses which provide the ultimate 4-stroke motorcycle oil. Meets API SM and JASO MA2 requirements. Suitable for air-cooled/liquid-cooled 4-stroke engines and wet clutches.

Bel-Ray Works Thumper Racing is een hoogwaardige volledig synthetische 4T olie ontwikkeld voor race gebruik. Vol synthetische ester basisoliën bieden de beste bescherming onder de enorm zware omstandigheden en bij extreme temperaturen. Geschikt voor alle lucht- en vloeistof gekoelde motoren die voorzien zijn van een natte plaatkoppeling.

API SM, JASO MA2

L'huile à moteur 4T Bel-Ray Works Thumper Racing 100 % Synthétique Ester est une huile synthétique pour les moteurs de motos de course 4 temps qui a été développée pour une utilisation en compétition de haut niveau et conçue pour résister à des conditions de course extrêmes. Les huiles 100 % synthétiques à base d'ester contenues dans les dernières huiles pour motos 4 temps résistent aux températures et aux contraintes les plus élevées.

EXR Racing Motor Oil 20W-50

Bel-Ray EXR is specially designed for the protection and lubrication of 4-stroke racing engines operating at high temperature, high rpm and high loads typically encountered in racing conditions. It is equally suitable for air-cooled and liquid cooled 4-stroke racing engines. Bel-Ray's exclusive "Molbuamin" additive gives ultra-high film strength and extreme pressure properties.

Bel-Ray's exclusieve toevoeging 'Molbuamin' reduceert de inwendige wrijving en voorkomt metaal-op-metaal contact in hoog-toerige tandwieloverbrengingen, krukas componenten en in het zwaar belaste kleppenmechanisme. Bel-Ray EXR absorbeert ook onder extreme temperaturen hoge piekbelastingen en houdt daarbij zijn viscositeit stabiel. Geschikt voor luchtgekoelde racemotoren die een viscositeit van 20W-50 vereisen.

Bel-Ray EXR Racing Motor Oil a été tout spécialement développée pour protéger et lubrifier les moteurs 4 Temps Racing soumis à de hauts régimes et à des pressions et températures élevées – ce qui est le cas en conditions de course. Elle convient aussi bien aux moteurs 4 Temps Racing à refroidissement par air ou par eau. Excellente résistance du film lubrifiant et résistance optimale aux pressions extrêmes, grâce à l'additif "Molbuamin" exclusif Bel-Ray.

H1R Synthetic Ester 2-Stroke Racing Oil with Power Valve Formula

H1R's advanced synthetic technology delivers unsurpassed performance for all racing engines. H1R gives maximum film strength and anti-scuff protection for pistons, rings, cylinders and unsurpassed load-carrying ability to protect highrevving crankshafts. Clean burning formula minimizes deposits in combustion chambers and on variable power valves. Recommended for dilution ratios of 30:1 to 50:1.

H1R met zijn hoogwaardige technologie zorgt voor onovertroffen prestaties in alle racemotoren. Maximale smeefilm en reiniging van zuigers, zuigerveren en cilinders. Onovertroffen smeereigenschappen ter bescherming van krukas lagers bij hoge toeren. De schone verbranding voorkomt afzetting in de verbrandingskamers en op de power valves. Aanbevolen mengverhoudingen 30:1 tot 50:1.

L'huile Racing H1R "Power Valve Formula" fait partie des dernières innovations de Bel-Ray. Sa formule 100% synthèse garantit tout les avantages d'une puissance maximale, grâce à une lubrification haute performance, à une friction minimum et à une protection anti-usure inégalée.

Gear Saver Motorcycle Transmission Oil 75W, 80W

API GL-4

Gear Saver has been developed specifically to meet the needs of 2-stroke motorcycle transmissions and gives improved performance over ordinary motor oils. Gear Saver features a special extreme pressure (EP) chemistry, formulated to give maximum gear protection and improved clutch performance and shifting.

Gear Saver is specifiek ontwikkeld voor versnellingsbakken van tweetakt motorfietsen en zorgt voor betere prestaties dan gewone transmissie-oliën. Maximale bescherming van tandwielen, verbetert de werking van de koppeling en zorgt voor licht schakelen.

Pour moteurs 2 temps et autres moteurs à boîte de vitesse à lubrification séparée. Remplace les huiles moteur standards pour une meilleure lubrification, un changement de vitesses plus souple et un allongement de la durée de vie de l'embrayage.

Gear Saver Thumper Transmission Oil 80W-85

API GL-4

Thumper Gear Saver Transmission Oil is a premium 4-stroke transmission oil that has been developed for the unique demands of 4-stroke motorcycles equipped with separate engines and transmissions. Formulated with extra protection for gears and bearings subject to high torque loads of today's powerful 4-stroke Thumper engines. This multi-viscosity formula flows freely for better clutch cooling and provides positive clutch engagement for better starts and longer clutch life.

Thumper Gear Saver Transmission Oil is een hoogwaardige 4T transmissie olie die ontwikkeld is om aan de specifieke eisen te voldoen van 4T motoren die zijn voorzien van een gescheiden versnellingsbak. Geformuleerd met extra bescherming voor tandwielen en lagers die enorm belast worden in de hedendaagse generatie 4T "Thumper" motoren. Deze multigrade biedt maximale bescherming, verbetert de werking en levensduur van de koppeling en zorgt voor licht schakelen.

Sa formule offre une protection renforcée pour les engrenages et coussinets soumis aux charges élevées des puissants moteurs actuels Thumper 4 temps. Grâce à sa formule multi-viscosité, elle circule librement pour un meilleur refroidissement de l'embrayage, facilite l'enclenchement de l'embrayage pour de meilleurs départs et améliore sa durée de vie tout en protégeant de l'usure les engrenages soumis à de fortes charges, assurant des changements de vitesse en douceur pour une action plus positive.

65 999904 PROFI LASER CHAIN ALIGNMENT TOOL

PROFI LASER CAT indicates the actual direction of the chain wheel on the chain rollers laser-exactly. Chain wheel and thus wheel axle can be adjusted absolutely precisely and independently of markings on the rocker. PROFI LASER CAT is suitable for all motorcycles with chaining or toothed belt drive (contact surface 15x53mm).

PROFI LASER CAT geeft de exacte uitlijning van de ketting weer. Het tandwiel en dus de wielas kan zo onafhankelijk van de merktekens precies worden gemonteerd. PROFI LASER CAT kan worden gebruikt voor alle ketting en "belt drive" motorfietsen.

PROFI LASER CAT montre avec une précision laser le sens de marche de la couronne sur les rouleaux de chaîne. Ainsi, la couronne, et par conséquent l'axe de roue, peuvent être réglés avec une précision absolue et indépendamment de repères sur le bras oscillant. PROFI LASER CAT est indiqué pour toutes les motos équipées d'un entraînement par chaîne ou par courroie (surface d'appui 15x53mm).

65 999906 PROFI LASER BIKE ALIGNMENT TOOL

65 999906

65 999906 PROFI LASER BIKE ALIGNMENT TOOL

PROFI LASER BAT was developed particularly for the motorcycle specialized trade and is applicable in almost all ranges of the technology and in the customer service. During the damage diagnosis all relevant building groups (frame-work, fork, rocker) can be examined and judged in just 2 minutes - an inestimable assistance during the evaluation of accidents and used vehicles.

PROFI LASER BAT is ontwikkeld voor motorfiets bedrijven. Met dit apparaat kan snel en op eenvoudige wijze de delen van de motorfiets (frame, voorvork en dergelijke) binnen 2 minuten beoordeeld worden. Ideaal voor beoordeling van gebruikte en schademotoren.

PROFI LASER BAT, spécialement conçu pour le commerce spécialisé des deux-roues, est utilisable dans pratiquement tous les secteurs techniques, y compris dans le service client. Au cours d'un diagnostic de dommage, tous les sous-ensembles significatifs (cadre, fourche, bras oscillant) peuvent être contrôlés et évalués en 2 minutes environ - une aide inestimable dans l'évaluation de véhicules accidentées ou d'occasion.

65 999908 PROFI LASER BIKE & SCOOTER ALIGNMENT TOOL

65 999907 PROFI LASER QUAD & ATV ALIGNMENT TOOL

With the PROFI LASER QAT the settings of alignment and camber will be controlled and it will show you the current geometric situation of your vehicle in just a few minutes.

Met de PROFI LASER QAT is het controleren en afstellen van camber en uitlijning van de wielen, binnen een paar minuten te doen. Geschikt voor Quads en ATV.

Le système a mesurer l'alignement des roues Quad et ATV le plus simple. On ne peut guère mesurer plus rapidement et avec une plus grande précision les châssis.

63 0092 OPTIMATE PRO-S [2-40AH]

State of the art automatic 9-stage desulphating charger incorporating diagnostic checks & an automatic multi-stage special recovery mode for deep-discharged (sulphated) batteries. Ampmatic™ microprocessor governs charge current optimally to suit battery. Ideal for the vital first commissioning charging of sealed AGM MF motorcycle and lawn tractor batteries. Equipped with NEW / 2 / 4Amp selections.

“State of the art” automatisch 9 “stage” laad & Onderhouds station. Voorzien van programma’s dat automatisch diagnose stelt, herstelt, efficiënt laadt en onderhoud. Geschikt voor alle 12V conventionele, MF-AGM en gel accu’s. Speciaal programma voor de belangrijke startlading van nieuwe, conventionele, MF-AGM en gel accu’s. Uitgerust met Ampmatic™ laadstroom processor met keuze uit NEW / 2 / 4 A lading.

Le microprocesseur Ampmatic™ régit le courant de charge de manière optimale, adapté à la taille et à l’état évolutifs de la batterie. Sélections NEW / 2 / 4 A. ‘NEW’ sélectionne la charge de mise en service pour les batteries neuves, AGM MF, ou conventionnelles. Désulfatation à étapes multiples. Détection de cellules en court-circuit après 10 minutes. Étapes de charge d’absorption et de vérification de charge pulsées.

DIAGNOSTICS - EFI TOOLS

Texa Multi Make Diagnostics

Currently virtually all new bikes are fitted with fuel injection systems with an ECU that needs checking, just like any other part of the bike. Complex CANBUS networks integrate individual electronic systems (fuel injection, CO adjustment, immobilizer, fault codes, service lamps, ABS) and need specific tools for servicing. Texa offers 2 solutions:

Texa Diagnose voor meerdere merken.

Momenteel zijn de nieuwe motoren bijna allemaal uitgerust met brandstof injectiesystemen waarbij de ECU regelmatig uitgelezen dient te worden. Complexe CANBUS systemen integreren de individuele systemen (Co afstelling, Startonderbrekers, Foutcodes, Service lamp, ABS) en vragen om een specifiek gereedschap. Texa biedt 2 oplossingen:

Texa diagnostique multi-marques

Actuellement la plupart des modèles de motos sont équipés de l'injection. Ce système doit être testé tout comme les autres composants de la moto. Le réseau complexe CANBUS intègre différents systèmes électroniques individuels (injection, réglage du CO, codes erreurs, lumières, ABS) et ne nécessite pas d'outils spécifiques pour intervenir. Texa propose 2 solutions :

1. De AXONE Handheld
2. De TXB Wireless

65 999941 BIKETECH ISC TOOL

ISC stands for Idle Stepper Control or Idle Stability Control.

On some Euro 3 (2007 on) Suzuki models the only way to synchronise the injector valves is to override the ISC valve, to hold it steady while the balancing is carried out. This can be done with the ISC Bike Tech ISC Controller.

ISC staat voor Idle Stability Control system. Bij Euro 3 Suzuki's is de enige manier om de gaskleppen te synchroniseren door de ISC klep vast te zetten tijdens het synchroniseren. Dat doet deze Bike Tech ISC Controller.

ISC est le nom d'un système de contrôle de stabilité veille. Pour Euro 3 Suzuki est le seul moyen de synchroniser l'accélérateur ISC clapet pour verrouiller tout synchronisé.

1. Definitions

In these Standard Conditions ("Conditions") the terms set out below have the following meaning:

Hoco Parts: the private company with limited liability Hoco Parts B.V.

Buyer: any natural person or legal entity who enters into an Agreement with Hoco Parts or with whom Hoco Parts is negotiating an Agreement;

Agreement: any agreement made between Hoco Parts and the Buyer, any change or supplement to it as well as all (legal) acts for the preparation and execution of that agreement;

Products: all items forming the subject of an Agreement;

Order: any order by the Buyer from Hoco Parts.

2. Applicability

1. These Conditions apply to all offers and agreements as well as all associated (legal) acts by Hoco Parts to or between Hoco Parts and the Buyer and they form an integral part of these Conditions.

2. The applicability of any general or specific conditions or stipulations by the Buyer is exclusively dismissed by Hoco Parts.

3. Offer and formation of agreements

1. An offer or quotation counts as an invitation to place an Order. All offers and quotations are without obligation.
2. An agreement is only formed if and insofar as Hoco Parts has accepted an Order in writing or if Hoco Parts is executing an Order.
3. All specifications given by Hoco Parts with regard to the numbers, sizes, weights or other details of the Products are given with due care. Samples, drawings or models shown or supplied are only indications of the Products. When the Products deviate to such extent from the samples, drawings or models that the Buyer cannot reasonably be obliged to buy them, the Buyer will be entitled to dissolve the Agreement unless such deviation from the arrangements made, considering its minor significance, does not justify such dissolution and its consequences.

4. Changes and supplements

Changes and supplements to any provision in an Agreement and/or the Conditions will only be valid if they have been laid down in writing by Hoco Parts and only relate to the respective Agreement.

5. Prices

1. All prices are excluding turnover tax and, unless explicitly otherwise stated, the costs of packaging and forwarding charges, import and export duties, excise duties and all other levies or taxes imposed or levied in connection with the Products and their transport will be at the expense of the Buyer.
2. The prices are based on Hoco Part's circumstances at the time the Agreement is made such as for instance currency rates, procurement prices, carriage charges, import and export duties, excise duties, levies and taxes which are directly or indirectly levied from Hoco Parts or are charged to Hoco Part by third parties. Should these circumstances change after the Agreement is made but before the delivery, Hoco Parts will be entitled to pass on to the Buyer the resulting costs.

6. Delivery period

1. The delivery period specified by Hoco Parts is approximate and is based on Hoco Part's circumstances at the time the Agreement was made and, insofar as this depends on the performance of third parties, based on information provided by those third parties to Hoco Parts. The delivery period will be observed as far as is possible by Hoco Parts. The delivery period will not count as a deadline between the parties and will be observed as far as is possible by Hoco Parts.
2. In the event that Hoco Parts requires information or means for the execution of the Agreement and these have to be supplied by the Buyer, the delivery period will commence on the date that all the necessary information or means are in the possession of Hoco Parts, but not before the date on which the Order has been confirmed in writing.

3. Should the delivery period be exceeded, the Buyer will not be entitled to any compensation. Neither has the Buyer in that case any right to dissolution of the Agreement unless the excess of the delivery period is such that it cannot reasonably be required that the Buyer maintains the Agreement.

7. Delivery and risk

1. The delivery of the Products, the provisions concerning the delivery costs and the transfer of the risk will be according to the customary conditions in the trade, provided this has been specified in the offer or the order confirmation, such as ddp, f.o.b, c.i.f, and c.f and in all such cases the Incoterms of the International Chamber of Commerce in Paris applicable at the time the agreement was made will apply.
2. If the conditions mentioned in paragraph 7.1 above have not been agreed, with respect to Orders within the Benelux with a minimum net sale of €150- DDP the delivery will be fee domicile.
3. If the Buyer does not or not within due time take or take delivery of the Products or the documents issued for the Products, the Buyer will be in default without any notice of default being required. In that case Hoco Parts will be entitled to have the Products stored or sold to a third party at the expense and risk of the Buyer. The Buyer still owes the purchase price due plus the interest and costs (as compensation) possibly reduced by the net proceeds of the sale to that third party.

8. Force Majeure

1. If Hoco Parts cannot fulfil its obligations to the Buyer because of force majeure, these obligations will be suspended for as long as the situation of force majeure lasts.
2. If the situation of force majeure has lasted for three (3) months, both parties will be entitled to dissolve the Agreement in part or in whole. In the event of force majeure the Buyer will have no right to any compensation/reimbursement, not even if Hoco Part would benefit in any way as a result of this force majeure.
3. By force majeure Hoco Parts means any circumstance beyond the power of Hoco Parts because of which the fulfilment of its obligations to the Buyer is fully or partially prevented or because of which the fulfilment of its obligations cannot reasonably be required from Hoco Parts regardless of whether or not this circumstance was foreseeable when the agreement was made. Included in those circumstances are: strikes at or not at Hoco Parts, delays or other problems connected with the production by Hoco Parts or suppliers and/or of the transport arranged by themselves or by third parties and/or measures of any government body as well as the absence of any permit to be obtained from the authorities such as import or export permits.
4. Hoco Parts will notify the Buyer as soon as possible of a (possible) situation of force majeure.

9. Payment

1. The Buyer has to pay to Hoco Parts the amounts he has been charged with, in the actual currency stated on the invoice, within the payment period stated on Hoco Parts' order confirmation or - if not stated - within 30 days after the invoice date. All payments must be made into a bank or giro account to be appointed by Hoco Parts.
2. The Buyer has to pay all the amounts he has been charged with without any discount or deductions and he is not entitled to set-off these amounts against any counterclaims alleged by him. Moreover, the Buyer is not entitled to suspend any payment obligations to Hoco Parts.
3. If at any time Hoco Parts harbours serious doubts about the Buyer's creditworthiness, Hoco Parts will be entitled, before performing (any further), to demand from the Buyer that the latter pays in advance, pays on delivery or that the Buyer - at Hoco Parts' discretion - provides clear security for the amounts, whether or not due and payable, which Hoco Parts claims or will be able to claim under the Agreement.
4. The Buyer will be in default by the mere lapse of the payment period. In that case all claims which Hoco Parts has on the Buyer for any reason whatsoever will become immediately due and payable.
5. Without any notice of default being required the Buyer will owe

interest for overdue payment on all amounts which have not been paid on the ultimate date of a payment period, from that date onwards and which will be equal to the statutory interest rate applicable in the Netherlands, plus 2%.

6. If the Buyer is in default towards Hoco Parts, the Buyer will be obliged to reimburse Hoco Parts with all extrajudicial and court costs reasonably incurred by them. The extrajudicial costs to be reimbursed by the Buyer will be charged in accordance with the 'Rapport Voorwerk II' or another criterion accepted by the Netherlands Association for the Judiciary for the calculation of extrajudicial costs, at the time that the Buyer defaulted.
7. If Hoco Parts - after the Buyer has defaulted - sends reminders or other requests for payment to the Buyer, this does not affect the provisions set out in paragraph 9.4., 9.5. and 9.6.

10. Retention of title

1. The title of the Products will only pass onto the Buyer - despite the actual delivery - after the Buyer has paid in full all amounts due or which will become due to Hoco Parts for any reason whatsoever, including the purchase price and any surcharges, interest, taxes, compensation and costs due on the agreement pursuant to these Conditions as well as any activities performed or to be performed in connection with the Products. The retention of title also covers items which have already been paid for if and insofar as the Buyer still has obligations to Hoco Parts from other deliveries or for any reasons whatsoever.
2. Before the title of the Products passes over to the Buyer, the Buyer will not be entitled to hire or give the use of the Products to any third party, to pledge them to any third parties or to encumber them otherwise for the benefit of third parties. The Buyer is only entitled to sell or deliver the Products or install the Products which are the property of Hoco Parts, insofar as this is required in the Buyer's normal course of business. These powers or their execution do not affect Hoco Parts' title and Hoco Parts' right to take back the Products, if necessary by undoing the installation.
3. The retention of title is maintained when the goods are re(sold) by the Buyer to its group companies or partnerships where the power to control is in the hands of the same parties which control the Buyer.
4. The Buyer is entitled to dispose of the goods supplied and to sell them within the scope of his normal business operations. However, in case of such a disposal or sale the Buyer, if requested to do so by Hoco Parts, is obliged to create a right of pledge for the benefit of Hoco Parts on the claim on third parties acquired by the Buyer because of this disposal or sale.
5. If and for as long as Hoco Parts owns the Products, the Buyer will notify Hoco Parts immediately in writing when the Products, or the items in which the Products are installed, are to be seized or if a claim is made in any other way on (any part of) the Products. Moreover, the Buyer will inform Hoco Parts where the Products are located when requested to do so.
6. Upon a seizure, (provisional) moratorium, bankruptcy or debt rescheduling within the framework of the Debt Rescheduling (Natural Persons) Act the Buyer will immediately point out Hoco Parts' (ownership) rights to the bailiff executing the seizure, or to the administrator or receiver.

11. Inspection and complaints

1. The Buyer is obliged to check the packaging units of the Products carefully immediately after they arrive at their destination or - should this be sooner - after receipt by himself or by a third party acting on his instructions, as to whether the quantity is correct and to compare them with the quantity stated on the consignment note or other documentary evidence of carriage.
2. The Buyer is obliged to inspect the Products (have them inspected) accurately immediately after their arrival at the place of destination or - if this is sooner - after receipt by the Buyer or by a third party acting on his instructions. Any complaints concerning faults in the Products have to be notified in writing to Hoco Parts not later than within 8 (eight) days after the arrival of the Products.
3. Faults which could not reasonable have been discovered within the period stated above, have to be notified in writing to Hoco Parts immediately after discovery and not later than within [sixty (60)] days after the arrival of the Products

4. After any fault has been discovered, the Buyer will be obliged to discontinue immediately the use, processing or installation of the faulty Products.
5. The Buyer shall give all co-operation required by Hoco Parts for the examination of the complaint for instance by giving Hoco Parts the opportunity to carry out an on site examination (have it carried out) into the circumstances of the use, processing or installation.
6. The Buyer is not entitled to put in a complaint in connection with Products of which the complaint can (no longer) be verified by Hoco Parts.
7. The Buyer is not free to return the Products before Hoco Parts has given its prior written approval. Transport will always be at the Buyer's expense and risk. [Only if a complaint has been put in promptly, correctly and with good reason, will the reasonable return costs be chargeable to Hoco Parts provided these charges have been agreed by Hoco Parts in advance.]
8. If the Buyer puts in a complaint promptly, correctly and with good reason in connection with a faulty Product, the liability resulting from this for Hoco Parts will be limited to the obligations set out in paragraph 12 and the Buyer has no further claims on Hoco Parts. Neither does the Buyer have any right to dissolve in whole or in part the Agreement with Hoco Parts.
9. Complaints not promptly and correctly notified to Hoco Parts will not give any entitlement whatsoever to the Buyer, including to Hoco Parts.

12. Warranty

1. Hoco Parts warrants that from the delivery and up to twelve (12) months after the purchase by the end user the Products will not show any faults and that they will function properly on the condition that all the obligations and instructions stated in paragraph 15 have at all times been promptly complied with by the Buyer, middleman and end-user. All products for use in racing are explicitly excluded from the warranty.
2. If at Hoco Parts' reasonable discretion it has been sufficiently demonstrated that the Products show faults or do not function properly within the period mentioned in paragraph 12.1, Hoco Parts can opt either to replace the Products which appear to be faulty without charge against the return of the faulty Products, or to repair the faulty Products if necessary with replacement of parts, or to grant the Buyer a discount on the purchase price in mutual consultation. By complying with this, Hoco Parts will, be fully discharged in connection with its warranty obligations and will not be obliged to pay any other compensation/reimbursement.
3. In the event of any defects that could have become apparent immediately upon simple inspection but that have not been reported immediately, Hoco Parts shall have the right to discontinue honouring guarantee claims or - in the event that they do honour guarantee claims - charge the Buyer a reasonable sum for having used the defective Product. This sum will be determined on the basis of a reasonable time-proportional discount on the purchase price of such product.
4. Any warranty will lapse if the Buyer has the Products repaired by someone other than Hoco Parts.

13. Liability and indemnity

1. Without prejudice to the provisions set out in paragraphs 11 and 12 and unless the damage is caused by the gross negligence or intention of Hoco Parts or its managing personnel or if the liability results from Title 3, Chapter 3, Book 6 of the Netherlands Civil Code [Burgerlijk Wetboek], the contractual and third-party liability of Hoco Parts to the Buyer will be limited to the amount of the purchase price of the Product in connection with which the contractual and third-party liability of Hoco Parts arose.
2. Except for cases of gross negligence or intent by Hoco Parts or its managing personnel, the Buyer will safeguard Hoco Parts against all claims by the middleman, the end-user or any third party whatsoever in respect of reimbursement, damage, costs or interests in connection with the Products or resulting from the use of the Products. If in this connection the Buyer is sued by the middleman, the end-user or any other third party, recourse on Hoco Parts will be excluded except for cases of gross negligence or intent by Hoco Parts or its managing personnel.

14. Intellectual property

1. Under the Agreement the Buyer will not acquire the intellectual property rights in connection with the Products.
2. The Buyer is not allowed to change or remove the brand or identification marks applied to the Products or their packaging or to change or copy the Products or any part thereof.
3. Hoco Parts declares that to the best of their knowledge the Products do not infringe on any intellectual property rights of third parties applicable in the Netherlands. In cases of claims by third parties with regard to the infringement of such rights, if necessary Hoco Parts may replace or change the respective Product or dissolve the Agreement in whole or in part. The Buyer only has the right to dissolve the Agreement insofar as maintaining the Agreement cannot reasonably be required from him.
4. The Buyer will notify Hoco Parts immediately of any claims by third parties with regard to an infringement of the intellectual property rights relating to the Products. In the event of such a claim, Hoco Parts will only be entitled to put forward a defense against it or take legal action against this third person or reach an amicable settlement with this third party if they act also on behalf of the Buyer. The Buyer will refrain from taking all such measures insofar as that can reasonably be required from him. In all cases the Buyer will co-operate with Hoco Parts.

15. Other obligations of the Buyer

1. The Buyer guarantees that - as applicable - the Buyer himself, the middleman and/or the end-user makes sure that:
 - a. the Products are stored in a suitable location;
 - b. the Products are not changed or adjusted;
 - c. the serial number and/or the production date are not changed or adjusted;
 - d. the Products are built in by an expert and that in doing this they follow the instructions for building them in;
 - e. the Products are used normally and carefully for the purpose for which they are intended;
 - f. the Products are maintained regularly and properly and that in doing so the chemicals and other cleaning agents recommended by Hoco Parts are used;
 - g. at all times the instructions for use and maintenance provided by Hoco Parts are observed.
2. The Buyer is obliged to impose the provisions and instructions included in paragraph 15.1 as an obligation on the contractual party and to obliged this other party to do the same in the sense that these terms and conditions are sufficiently known by the end-user.

16. Negligence/dissolution

1. If the Buyer does not or does not promptly comply with any of his obligations which result from any agreement, the Buyer will be in default without any notice of default being required and Hoco Parts will be entitled:
 - to suspend the execution of that agreement and its directly associated agreements until fulfilment has been sufficiently secured; and/or
 - to dissolve in whole or in part that agreement and its directly associated agreements; without Hoco Parts being obliged to pay any compensation to the Buyer and without prejudice to any other rights Hoco Parts might have.
2. In the event of a (provisional) moratorium, bankruptcy, debt rescheduling within the framework of the Debt Rescheduling (Natural Persons) Act, discontinuation of activities or liquidation of the Buyer's business, all Agreements with the Buyer will be dissolved by operation of law, unless Hoco Parts informs the Buyer within a reasonable period that they demand fulfilment of (part of) the Agreement(s) in which case Hoco Parts will - without any notice of default being required - be entitled:
 - to suspend the execution of the respective Agreement(s) until the fulfilment by the Buyer has been sufficiently secured ; and/or
 - to suspend any and all of its obligations to the Buyer; without Hoco Parts being obliged to pay any compensation and without prejudice to any other rights Hoco Parts might have.
3. In each of the cases mentioned in paragraph 16.1 and 16.2, all claims of Hoco Parts on the Buyer will be immediately fully due and payable and the Buyer will be obliged to return immediately all unpaid Products and Hoco Parts will be entitled to access the Buyer's prem-

ises and buildings in order to take possession of those Products and to this end- if necessary - disassemble the installed Products.

17. Applicable law - competent court

- 1 This Agreement and these Conditions are governed by Dutch law.
2. All disputes arising as a result of the Agreement or the Conditions will - insofar as not otherwise mandatorily provided for by law - be subject to the judgement of the competent court in Arnhem on the understanding that Hoco Parts will be entitled to bring claims against the Buyer before other judicial authorities - whether or not at the same time - which, pursuant to national or international rules, have competence to hear such claims.
3. The applicability of the Vienna Sales Convention 1980 (CISG) is excluded.

1. Deze Voorwaarden zijn van toepassing op alle aanbiedingen en overeenkomsten, alsmede alle (rechts)handelingen daarmee verband houdende van Hoco Parts aan respectievelijk tussen Hoco Parts en Afnemer en maken daarvan onverbrekelijk deel uit.

2. De toepasselijkheid van enige algemene of specifieke voorwaarden of bedingen van Afnemer wordt door Hoco Parts uitdrukkelijk van de hand gewezen.

3. Aanbieding en totstandkoming van overeenkomsten

1. Een aanbieding of prijsopgave geldt als een uitnodiging tot het plaatsen van een Order. Alle aanbiedingen of prijsopgaven zijn vrijblijvend.

2. Een overeenkomst komt slechts tot stand indien en voorzover Hoco Parts een Order schriftelijk aanvaardt of indien door Hoco Parts uitvoering aan een Order wordt gegeven.

3. Alle opgaven door Hoco Parts van getallen, maten, gewichten of andere aanduidingen van de Producten zijn met zorg gedaan. Getoonde of verstrekte monsters, tekeningen of modellen zijn slechts aanduidingen van de Producten. Wanneer de Producten zodanig afwijken van de monsters, tekeningen of modellen, dat Afnemer niet meer aan afname daarvan kan worden gehouden, heeft Afnemer het recht om de Overeenkomst te ontbinden, tenzij de afwijking van het overeengekomene, gezien haar geringe betekenis, deze ontbinding met haar gevolgen niet rechtvaardigt.

4. Wijzigingen en aanvullingen

Wijzigingen van en aanvullingen op enige bepaling in een Overeenkomst en/of de Voorwaarden gelden slechts indien zij schriftelijk door Hoco Parts zijn vastgelegd en hebben alleen betrekking op de betreffende Overeenkomst.

5. Prijzen

1. Alle prijzen zijn exclusief omzetbelasting en tenzij uitdrukkelijk anders vermeld, komen ten laste van Afnemer de kosten van verpakking en verzending, in- en uitvoerrechten en accijnzen en alle overige heffingen of belastingen opgelegd of geheven terzake van de Producten en het vervoer daarvan.

2. De prijzen zijn gebaseerd op de ten tijde van het sluiten van de Overeenkomst voor Hoco Parts geldende omstandigheden, zoals onder meer valutakoersen, aankooprijzen, vrachttarieven, in- en uitvoerrechten, accijnzen, heffingen en belastingen die direct of indirect van Hoco Parts worden geheven c.q. door derden ten laste van Hoco Parts worden gebracht. Indien deze omstandigheden na het sluiten van de Overeenkomst doch voor de aflevering wijzigen, heeft Hoco Parts het recht de daaruit voortvloeiende kosten aan Afnemer door te berekenen.

6. Afleveringstermijn

1. De door Hoco Parts opgegeven afleveringstermijn wordt bij benadering gedaan en is gebaseerd op de ten tijde van het sluiten van de Overeenkomst voor Hoco Parts geldende omstandigheden en, voorzover afhankelijk van prestaties van derden, op de door die derden aan Hoco Parts verstrekte gegevens. De afleveringstermijn zal door Hoco Parts zoveel mogelijk in acht worden genomen. De afleveringstermijn zal tussen partijen niet gelden als fatale termijn en zal door Hoco Parts zoveel mogelijk in acht worden genomen.

2. Indien Hoco Parts voor de uitvoering van de Overeenkomst gegevens dan wel hulpmiddelen nodig heeft die door Afnemer moeten worden verstrekt, gaat de afleveringstermijn in op de dag dat alle benodigde gegevens of hulpmiddelen in het bezit zijn van Hoco Parts, doch niet eerder dan de datum van de schriftelijke orderbevestiging.

3. Bij overschrijding van de afleveringstermijn heeft Afnemer geen recht op enige schadevergoeding. Afnemer heeft in dat geval evenmin recht op ontbinding van de Overeenkomst, tenzij de overschrijding van de afleveringstermijn zodanig is dat van Afnemer redelijkerwijs niet kan worden verlangd dat hij de Overeenkomst in stand laat.

7. Aflevering en risico

1. De aflevering van de Producten, de bepalingen omtrent de kosten van de aflevering en de overgang van het risico geschieden, indien dit in de offerte of opdrachtbevestiging tot uitdrukking is gebracht, volgens de in het handelsverkeer gebruikelijke condities, zoals ddp, f.o.b., c.i.f., en c.f. en in al zulke gevallen zijn de op het tijdstip van het sluiten van de overeenkomst geldende Incoterms van de Internationale Kamer van Koophandel te Parijs daarop van toepassing.

2. Indien de hiervoor in par. 7.1 bedoelde condities niet zijn overeengekomen, geschiedt de aflevering bij orders met een minimum netto verkoopwaarde van € 150,= DDP (franco huis).

3. Indien Afnemer de Producten of de voor de Producten uitgegeven documenten niet of niet-tijdig afneemt of in ontvangst neemt, is Afnemer zonder ingebrekestelling in verzuim. In dat geval is Hoco Parts gerechtigd de Producten voor rekening en risico van Afnemer te doen opslaan of aan een derde partij te verkopen. Afnemer blijft de koopsom, vermeerderd met de rente en kosten, (bij wege van schadevergoeding) verschuldigd, eventueel verminderd met de nettoopbrengst van de verkoop aan die derde.

8. Overmacht

1. Indien Hoco Parts door overmacht niet aan haar verplichtingen jegens Afnemer kan voldoen, worden die verplichtingen opgeschort voor de duur van de overmachtstoestand.

2. Indien de overmachtstoestand drie (3) maanden heeft geduurd, hebben beide partijen het recht de Overeenkomst geheel of gedeeltelijk te ontbinden. In geval van overmacht heeft Afnemer geen recht op enige (schade)vergoeding, ook niet als Hoco Parts als gevolg van de overmacht enig voordeel mocht hebben.

3. Onder overmacht van Hoco Parts wordt verstaan elke van de wil van Hoco Parts onafhankelijke omstandigheid, waardoor de nakoming van haar verplichtingen jegens afnemer geheel of gedeeltelijk wordt verhinderd of waardoor de nakoming van haar verplichtingen in redelijkheid niet van Hoco Parts kan worden verlangd, ongeacht of die omstandigheid ten tijde van het sluiten van de overeenkomst te voorzien was. Tot die omstandigheden worden ook gerekend: stakingen al dan niet bij Hoco Parts, stagnatie of andere problemen bij de produktie door Hoco Parts of toeleveranciers en/of bij het eigen of door derden verzorgde transport en/of maatregelen van enige overheidsinstantie, alsmede het ontbreken van enige van overheidswege te verkrijgen vergunning, zoals import- of exportvergunning.

4. Hoco Parts zal Afnemer zo spoedig mogelijk van een (mogelijke) overmachtstoestand op de hoogte stellen.

9. Betaling

1. Afnemer zal de hem in rekening gebrachte bedragen, effectief in de valuta vermeld op de faktuur, aan Hoco Parts betalen binnen de op de orderbevestiging van Hoco Parts vermelde betalingstermijn of, in geval zo'n vermelding ontbreekt, binnen 30 dagen na faktuurdatum. Alle betalingen moeten worden gedaan op een door Hoco Parts aan te wijzen bank- of girorekening.

2. Afnemer moet alle hem in rekening gebrachte bedragen zonder korting of inhouding voldoen en hij is niet bevoegd die bedragen te verrekenen met door hem gepretendeerde tegenvorderingen. Afnemer heeft verder niet het recht om enige betalingsverplichting jegens Hoco Parts op te schorten.

3. Indien op enig moment bij Hoco Parts gerede twijfel bestaat omtrent de kredietwaardigheid van Afnemer, heeft Hoco Parts het recht, alvorens (verder) te presteren, van Afnemer te eisen dat vooruitbetaling van de koopsom plaatsvindt, levering onder rembours plaatsvindt of

dat Afnemer – ter beoordeling van Hoco Parts – deugdelijke zekerheid stelt, ter hoogte van de bedragen die Hoco Parts, al dan niet opeisbaar, op grond van de Overeenkomst, van Afnemer heeft of zal hebben te vorderen.

4. Door het enkele verstrijken van een betalingstermijn is Afnemer in verzuim. In dat geval zijn alle vorderingen, uit welke hoofde ook, van Hoco Parts op Afnemer onmiddellijk opeisbaar.
5. Afnemer is, zonder nadere ingebrekestelling, over alle bedragen die niet uiterlijk op de laatste dag van een betalingstermijn zijn betaald, vanaf die dag vertragingsrente verschuldigd gelijk aan de op dat moment in Nederland geldende wettelijke rente, vermeerderd met 2%.
6. Indien Afnemer jegens Hoco Parts in verzuim is, is Afnemer gehouden Hoco Parts alle door haar in redelijkheid gemaakte buitengerechtigde en gerechtelijke kosten volledig te vergoeden. De door Afnemer te vergoeden buitengerechtigde kosten zullen worden berekend conform het Rapport Voorwerk II, danwel een nadere maatstaf die voor de berekening van buitengerechtigde kosten door de Nederlandse Vereniging voor Rechtspraak zal zijn geaccepteerd, op het moment dat Afnemer in verzuim is geraakt.
7. Indien Hoco Parts, nadat Afnemer in verzuim is, betalingsherinneringen of andere verzoeken tot betaling aan Afnemer richt, doet dit niet af aan het bepaalde in par. 9.4., 9.5. en 9.6.

10. Eigendomsvoorbehoud

1. De eigendom van de Producten gaat, niettegenstaande de feitelijke aflevering, pas over op Afnemer nadat Afnemer al hetgeen hij aan Hoco Parts verschuldigd is of zal worden, uit welke hoofde ook, volledig heeft voldaan, daaronder mede begrepen de koopprijs, eventuele ingevolge deze voorwaarden op de overeenkomst verschuldigde toeslagen, renten, belastingen, schadevergoedingen en kosten, alsmede eventuele terzake van de producten verrichte of te verrichten werkzaamheden. Het eigendomsvoorbehoud strekt zich ook uit over zaken die reeds betaald zijn, indien en voorzover uit andere leveringen of uit welke hoofde ook Afnemer nog verplichtingen jegens Hoco Parts heeft.
2. Voordat de eigendom van de Producten op Afnemer is overgegaan, is Afnemer niet gerechtigd de Producten aan derden te verhuren of in gebruik te geven, aan derden te verpanden of anderszins ten behoeve van derden te bezwaren. Afnemer is slechts gerechtigd de Producten, waarvan Hoco Parts eigenaar is, aan derden te verkopen of af te leveren dan wel de Producten te installeren, voorzover dit in het kader van Afnemer's normale bedrijfsuitoefening noodzakelijk is. Deze bevoegdheden c.q. de uitoefening daarvan doen niet af aan Hoco Parts's eigendomsrechten en het recht van Hoco Parts om de Producten terug te nemen, zonedig met ongedaanmaking van de installatie.
3. Het eigendomsvoorbehoud blijft in stand bij (door)levering van goederen door Afnemer aan groepsmaatschappijen van Afnemer of vennootschappen waarin de zeggenschap in handen is van dezelfde partijen die zeggenschap over Afnemer hebben.
4. Afnemer is bevoegd om binnen het kader van zijn normale bedrijfsuitoefening over de geleverde zaken te beschikken en deze te vervreemden. Op eerste verzoek van Hoco Parts is Afnemer evenwel gehouden ingeval van zodanige beschikking of vervreemding op de vordering die Afnemer hieruit op derden verkrijgt een stil pandrecht te vestigen ten behoeve van Hoco Parts.
5. Indien en zolang Hoco Parts eigenaar van de Producten is, zal Afnemer Hoco Parts onverwijld schriftelijk op de hoogte stellen wanneer de Producten of de zaken waarin de Producten zijn geïnstalleerd, in beslag worden genomen of anderszins aanspraak wordt gemaakt op (enig onderdeel van) van de Producten. Voorts zal Afnemer Hoco Parts op Hoco Parts's eerste verzoek meedelen waar de Producten zich bevinden.
6. Bij beslag, (voorlopige) surséance van betaling, faillissement of schuldsanering in het kader van de Wet Schuldsaneringsregeling Natuurlijke Personen zal Afnemer onmiddellijk de beslagleggende deurwaarder, de bewindvoerder of de curator wijzen op de (eigendoms)rechten van Hoco Parts.

11. Inspectie en Reklame

1. Afnemer is verplicht de verpakkingseenheden van de Producten onmiddellijk na aankomst op de plaats van bestemming of, indien dit eerder is, na ontvangst door hemzelf of door een in zijn opdracht han-

delende derde nauwkeurig op aantal te controleren en te vergelijken met het op de vrachtbrief of ander vervoersbewijs vermelde aantal.

2. Afnemer is verplicht de Producten onmiddellijk na aankomst op de plaats van bestemming of, indien dit eerder is, na ontvangst door Afnemer of door een in zijn opdracht handelende derde, nauwkeurig te (doen) inspecteren. Eventuele reclames over gebreken aan de Producten moeten uiterlijk binnen acht (8) dagen na aankomst van de Producten schriftelijk aan Hoco Parts worden meegedeeld.
3. Gebreken, die redelijkerwijs niet binnen de hiervoor genoemde termijn hadden kunnen worden geconstateerd, moeten onmiddellijk na constatering en uiterlijk binnen [zestig (60)] dagen na aankomst van de Producten schriftelijk aan Hoco Parts worden gemeld.
4. Na het ontdekken van enig gebrek is Afnemer verplicht om het gebruik, de bewerking of installatie van de gebrekkige Producten onverwijld te staken.
5. Afnemer zal alle door Hoco Parts voor onderzoek van de reclame gewenste medewerking verlenen onder meer door Hoco Parts in de gelegenheid te stellen ter plaatse een onderzoek in te (doen) stellen naar de omstandigheden van gebruik, bewerking c.q. installatie.
6. Afnemer heeft geen recht tot reklameren ten aanzien van Producten waarvan door Hoco Parts geen controle op de reclame (meer) kan plaatshebben.
7. Het staat Afnemer niet vrij de Producten terug te zenden, voordat Hoco Parts daarmee schriftelijk heeft ingestemd. Vervoer geschiedt steeds voor rekening en risico van Afnemer. [Uitsluitend indien tijdig, correct en terecht is gereklameerd, zijn de redelijke kosten van terugzending voor Hoco Parts, mits deze kosten vooraf door Hoco Parts zijn geacordeerd.]
8. Indien Afnemer tijdig, korrekt en terecht reclameert terzake van gebreken aan een Produkt, is de daaruit voor Hoco Parts voortvloeiende aansprakelijkheid beperkt tot de in par. 12 omschreven verplichtingen en heeft Afnemer jegens Hoco Parts geen verdere aanspraken. Evenmin heeft Afnemer jegens Hoco Parts recht op gehele of gedeeltelijke ontbinding van de Overeenkomst.
9. Reclames, die niet tijdig en korrekt aan Hoco Parts worden meegedeeld, geven Afnemer geen aanspraken hoegenaamd ook jegens Hoco Parts.

12. Garantie

1. Hoco Parts staat er voor in dat de Producten vanaf de aflevering tot twaalf (12) maanden na aankoop door de eindgebruiker, geen gebreken vertonen en naar behoren functioneren, op voorwaarde dat steeds stipt en volledig aan alle verplichtingen en voorschriften als vermeld in paragraaf 15 is voldaan door Afnemer, tussenhandelaar en eindgebruiker. Alle producten voor racegebruik zijn nadrukkelijk van garantie uitgesloten.
2. Indien naar het redelijk oordeel van Hoco Parts genoegzaam is aangevoerd dat de Producten binnen de in paragraaf 12.1 genoemde periode gebreken vertonen dan wel niet behoorlijk functioneren, zal Hoco Parts de keuze hebben hetzij de ondeugdelijk gebleken Producten kosteloos te vervangen tegen retourneren van de ondeugdelijke Producten, hetzij de ondeugdelijke producten te repareren, zonedig met vervanging van onderdelen, hetzij Afnemer alsnog een in onderling overleg vast te stellen korting op de koopprijs te verlenen. Door voldoening hieraan zal Hoco Parts terzake van haar garantieverplichtingen volledig zijn gekweten en zal zij tot geen enkele verdere (schade)vergoeding zijn gehouden.
3. Ingeval van gebreken die bij een eenvoudig onderzoek direct hadden kunnen blijken maar die niet terstond zijn gemeld heeft Hoco Parts het recht garantie-aanspraken niet (meer) te honoreren dan wel – ingeval van honorering van garantie-aanspraken - aan Afnemer een redelijke vergoeding in rekening te brengen voor het gebruik dat de Afnemer van het gebrekkige Product heeft gehad. Deze vergoeding wordt bepaald aan de hand van een redelijke tijdsevenredige afschrijving op de koopprijs van het product.
4. Iedere garantie vervalt wanneer Afnemer de Producten laat repareren door een ander dan Hoco Parts.

13. Aansprakelijkheid en vrijwaring

1. Onverminderd het bepaalde in paragrafen 11 en 12 en tenzij de schade

is veroorzaakt door opzet of grove schuld van Hoco Parts of haar leidinggevend personeel of aansprakelijkheid voortvloeit uit Titel 3 Afdeling 3 Boek 6 BW, is de contractuele en wettelijke aansprakelijkheid van Hoco Parts jegens Afnemer beperkt tot het bedrag van de koopprijs van een Produkt terzake waarvan de contractuele en wettelijke aansprakelijkheid van Hoco Parts is ontstaan.

2. Behoudens in geval van opzet of grove schuld van Hoco Parts of haar leidinggevend personeel, zal Afnemer Hoco Parts vrijwaren voor alle aanspraken van de tussenhandelaar, de eindgebruiker of welke andere derde ook terzake van vergoeding, schade, kosten of renten, verbandhoudende met de Produkten c.q. voortvloeiende uit het gebruik van de Produkten. Indien Afnemer terzake wordt aangesproken door de tussenhandelaar, de eindgebruiker of welke andere derde ook, is regres op Hoco Parts, behoudens in geval van opzet of grove schuld van Hoco Parts of haar leidinggevend personeel, uitgesloten.

14. Intellectuele eigendom

1. Afnemer verkrijgt door de Overeenkomst geen recht van intellectuele eigendom met betrekking tot de Produkten.
2. Het is Afnemer niet toegestaan op de Produkten of de verpakking daarvan aangebrachte merk- of herkenningstekens te wijzigen of te verwijderen, of de Produkten of enig gedeelte daarvan te wijzigen of na te maken.
3. Hoco Parts verklaart dat naar haar beste weten de Produkten geen inbreuk maken op in Nederland geldende intellectuele eigendomsrechten van derden. In geval van aanspraken van derden terzake van een inbreuk op dergelijke rechten, kan Hoco Parts zo nodig het desbetreffende Produkt vervangen of wijzigen, danwel de Overeenkomst geheel of gedeeltelijk ontbinden. Afnemer heeft uitsluitend het recht de Overeenkomst te ontbinden voorzover instandhouding van de Overeenkomst in redelijkheid niet van hem kan worden verlangd.
4. Afnemer zal Hoco Parts onmiddellijk in kennis stellen van enige aanspraak van een derde terzake van een inbreuk op intellectuele eigendomsrechten met betrekking tot de Produkten. In geval van een dergelijke aanspraak is alleen Hoco Parts bevoegd daartegen mede namens Afnemer verweer te voeren of tegen die derde rechtsmaatregelen te nemen, dan wel met die derde een minnelijke regeling te treffen. Afnemer zal zich van al zulke maatregelen onthouden, voorzover dat in redelijkheid van hem kan worden verlangd. In alle gevallen zal Afnemer Hoco Parts medewerking verlenen.

15. Overige verplichtingen van Afnemer

1. Afnemer staat er voor in dat, al naar gelang van toepassing, Afnemer zelf, de tussenhandelaar en/of de eindgebruiker ervoor zorgdragen dat:
 - a. de Produkten op een daartoe geschikte plaats worden opgeslagen;
 - b. de Produkten niet worden gewijzigd of veranderd;
 - c. het serienummer en/of de produktiedatum niet wordt gewijzigd of veranderd;
 - d. de Produkten door terzake kundige personen worden ingebouwd en deze hierbij de inbouw instructies opvolgen;
 - e. de Produkten normaal en zorgvuldig worden gebruikt voor het doel waarvoor zij zijn bestemd;
 - f. de Produkten regelmatig en behoorlijk worden onderhouden en daarbij de door Hoco Parts geadviseerde chemicaliën en andere reinigingsmiddelen worden gebruikt;
 - g. steeds de door Hoco Parts gegeven gebruiks- en onderhoudsinstructies worden opgevolgd.
2. Afnemer is verplicht om de in par. 15.1. opgenomen bepalingen en voorschriften als verplichting op te leggen aan zijn contractspartij en om die partij te verplichten hetzelfde te doen in die zin dat deze bepalingen en voorschriften de eindgebruiker genoegzaam bekend worden.

16. Verzuim/ontbinding

1. Indien Afnemer niet behoorlijk of niet tijdig voldoet aan enige verplichting die voor hem uit enige overeenkomst mocht voortvloeien, is Afnemer zonder in gebreke stelling in verzuim en heeft Hoco Parts het recht:
 - de uitvoering van die overeenkomst en direct daarmee samenhangende overeenkomsten op te schorten totdat nakoming voldoende is zeker gesteld; en/of
 - die overeenkomst en direct daarmee samenhangende overeenkomsten geheel of gedeeltelijk te ontbinden; zonder dat Hoco Parts tot enige schadevergoeding jegens Afnemer

zal zijn gehouden en onverminderd de Hoco Parts verder toekomende rechten.

2. In geval van (voorlopige) surséance van betaling, faillissement, schuldsanering in het kader van de Wet Schuldsaneringsregeling Natuurlijke Personen, stillegging of liquidatie van het bedrijf van Afnemer, zullen alle Overeenkomsten met Afnemer van rechtswege zijn ontbonden, tenzij Hoco Parts Afnemer binnen redelijke tijd meedeelt nakoming van (een deel van) de Overeenkomst(en) te verlangen, in welk geval Hoco Parts zonder in gebreke stelling het recht heeft:
 - de uitvoering van de betreffende Overeenkomst(en) op te schorten totdat nakoming door Afnemer voldoende is verzekerd; en/of
 - al haar eventuele verplichtingen ten opzichte van Afnemer op te schorten; zonder dat Hoco Parts tot enige schadevergoeding zal zijn gehouden en onverminderd de Hoco Parts verder toekomende rechten.
3. In elk van de in par. 16.1. en 16.2. genoemde gevallen zijn alle vorderingen van Hoco Parts op Afnemer onmiddellijk en in hun geheel opeisbaar, is Afnemer gehouden tot onmiddellijke teruggave van onbetaald gebleven Produkten en heeft Hoco Parts het recht om de terreinen en gebouwen van Afnemer te betreden teneinde die Produkten in haar macht te brengen, en zonodig daartoe geïnstalleerde Produkten te demonteren.

17. Toepasselijk recht - bevoegde rechter

1. Op de Overeenkomst en deze Voorwaarden is Nederlands recht van toepassing.
2. Alle geschillen die ontstaan naar aanleiding van de Overeenkomst of de Voorwaarden zullen, voorzover niet anders dwingend door de wet voorgeschreven, zijn onderworpen aan het oordeel van de bevoegde rechter te Arnhem, met dien verstande dat Hoco Parts het recht heeft vorderingen, al dan niet gelijktijdig, tegen Afnemer aanhangig te maken bij andere rechterlijke colleges die op grond van nationale of internationale rechtsregels bevoegd zijn van dergelijke vorderingen kennis te nemen.
3. De toepasselijkheid van het Weens Koopverdrag 1980 (CISG) is uitgesloten.

1. Définitions

Sont entendus dans les présentes conditions générales (ci-après désignées "Conditions") par :

- Hoco Parts: la société à responsabilité limitée Hoco Parts B.V ;
- Le Client : toute personne physique ou morale avec laquelle Hoco Parts conclut un Contrat ou avec laquelle cette société est en pourparlers au sujet de la conclusion d'un Contrat ;
- Contrat : toute convention formée entre Hoco Parts et le Client, toute modification ou supplément la concernant, ainsi que tous les actes (juridiques) exécutés dans le but de préparer et d'exécuter la convention ;
- Produits : tous les biens faisant l'objet d'un Contrat ;
- Commande : tout ordre passé par le Client à Hoco Parts.

2. Applicabilité

- 1. Les présentes Conditions régissent toutes les offres et tous les contrats, de même que tous les actes (juridiques) de Hoco Parts à l'égard du Client, ou entre Hoco Parts et le Client, qui s'y rapportent et en font partie indissociable.
- 2. Hoco Parts rejette expressément l'applicabilité de conditions générales ou spécifiques quelconques ou de clauses du Client.

3. Offre et formation des contrats

- 1. Toute offre ou tout devis tient lieu d'invitation à passer une Commande. Toutes les offres et tous les devis sont sans engagement.
- 2. Un contrat n'est formé que si Hoco Parts accepte une Commande par écrit ou si Hoco Parts exécute une Commande.
- 3. Toute description faite par Hoco Parts de quantités, de tailles, de poids ou de tout autre désignation des Produits est faite avec soin. Les échantillons, dessins ou modèles montrés ou fournis ne constituent qu'une indication. Lorsque les Produits s'écartent des échantillons, dessins ou modèles au point que le Client ne puisse décemment plus être tenu de les acheter, il est en droit de résilier le Contrat, sauf si les écarts constatés par rapport à ce qui a été convenu sont si minimes que cela ne justifie pas une telle résiliation et les conséquences qui en résultent.

4. Modifications et suppléments

Toute modification et tout supplément à une disposition quelconque d'un Contrat et / ou des Conditions n'ont effet que s'ils sont consignés par écrit par Hoco Parts, et ne concernent que le Contrat en question.

5. Prix

- 1. Tous les prix s'entendent hors T.V.A. et, sauf mention expressément contraire, les frais d'emballage et d'expédition, les taxes à l'importation et à l'exportation, les impôts indirects et toutes les autres perceptions ou tous les autres impôts prélevés ou imposés au titre des Produits et de leur transport sont à la charge du Client.
- 2. Les prix se basent sur les conditions en vigueur pour Hoco Parts au moment de la conclusion du Contrat, comme les cours du change, les prix d'achat, les tarifs de transport, les taxes à l'importation et à l'exportation, les impôts indirects, les perceptions et les impôts prélevés directement ou indirectement sur Hoco Parts, ou que des tiers font prendre en charge par Hoco Parts. Si ces circonstances se modifient après la conclusion du Contrat, mais cependant avant la livraison, Hoco Parts est en droit de répercuter sur le Client les frais qui en découlent.

6. Délai de livraison

- 1. Le délai de livraison indiqué par Hoco Parts est approximatif et se base sur les conditions en vigueur pour elle au moment de la conclusion du Contrat et, dans la mesure où la livraison est tributaire des prestations de tiers, ce délai se base sur les données que ces tiers lui fournissent. Hoco Parts fera de son mieux pour respecter le délai de livraison. Toutefois, ce délai ne tiendra pas lieu de délai fatal entre les parties, et Hoco Parts s'y conformera dans la mesure du possible.

- 2. Si, pour l'exécution du Contrat, Hoco Parts a besoin de données ou d'outils que le Client doit lui fournir, le délai de livraison prend cours à la date où ces données ou outils sont en la possession de Hoco Parts, toutefois pas avant la date de confirmation écrite de la commande.
- 3. En cas de dépassement du délai de livraison, le Client n'a droit à aucune indemnisation, pas plus qu'il n'est en droit dans ce cas de résilier le Contrat, à moins que le dépassement de ce délai soit tel qu'on ne puisse exiger de lui en toute légitimité qu'il maintienne le Contrat.

7. Livraison et risques

- 1. Si l'offre ou la confirmation de commande le mentionnent expressément, la livraison des Produits et les dispositions concernant les frais de livraison et le transfert des risques s'accomplissent conformément aux conditions habituellement en vigueur dans les échanges commerciaux, telles que RDA, FAB, CAF et CFR, et elles sont régies dans tous ces cas par les Incoterms de la Chambre internationale de commerce de Paris en vigueur au moment de la conclusion du contrat.
- 2. Si les conditions prévues précédemment au paragraphe 7.1 n'ont pas été convenues, la livraison a lieu franco à domicile (RDA) pour les commandes à destination du Benelux d'une valeur marchande nette de 150 € au minimum.
- 3. Si le Client ne prend pas, ou pas à temps, les Produits ou les documents délivrés pour les produits, ou qu'il n'en prend pas, ou pas à temps, livraison, il est en défaut sans mise en demeure. Dans ce cas, Hoco Parts est en droit de faire entreposer les Produits aux frais et aux risques du Client ou de les vendre à un tiers. Le Client reste redevable du prix d'achat, majoré des intérêts et des frais (par voie d'indemnisation), déduction faite éventuellement du prix net de la vente des Produits à ce tiers.

8. Force majeure

- 1. Si Hoco Parts, en raison d'un cas de force majeure, n'est pas en mesure de respecter ses obligations envers le Client, ces obligations sont suspendues pour la durée du cas de force majeure.
- 2. Si le cas de force majeure dure trois (3) mois, les deux parties sont en droit de résilier le Contrat en tout ou partie. En cas de force majeure, le Client n'a droit à aucune compensation ou indemnisation, même si Hoco Parts bénéficiait d'un avantage quelconque en raison du cas de force majeure.
- 3. Est entendu par cas de force majeure toute circonstance indépendante de la volonté de Hoco Parts empêchant cette dernière totalement ou partiellement de respecter ses obligations envers le Client, ou interdisant décemment d'exiger de Hoco Parts qu'elle respecte ses obligations, peu importe si cette circonstance était prévisible au moment de la conclusion du contrat. Font partie de ces circonstances : les grèves éclatant ou non chez Hoco Parts, une stagnation ou d'autres problèmes de production chez Hoco Parts ou ses fournisseurs et / ou des problèmes de transport chez Hoco Parts ou chez les tiers se chargeant du transport de Hoco Parts, et / ou les mesures d'une instance publique quelconque, ou l'absence d'une licence quelconque devant être obtenue des pouvoirs publics, telle qu'une licence d'importation ou d'exportation.
- 4. Hoco Parts informera le Client dans les plus brefs délais d'un (éventuel) cas de force majeure.

9. Paiement

- 1. Le Client paiera à Hoco Parts les sommes qui lui ont été facturées dans la monnaie effectivement mentionnée sur la facture, dans le délai de paiement mentionné sur la confirmation de commande de Hoco Parts, ou, si cette mention fait défaut, dans les 30 jours qui suivent la date de la facture. Tous les paiements doivent se faire sur un compte en banque ou compte chèque postal indiqué par Hoco Parts.
- 2. Le Client doit régler toutes les sommes qui lui sont facturées sans réduction ni retenue, et il n'a pas compétence pour compenser ces sommes par les contre-créances qu'il prétend avoir sur Hoco Parts. Par ailleurs, il n'est pas en droit de suspendre une obligation de paiement quelconque concernant Hoco Parts.
- 3. Si, à un moment quelconque, Hoco Parts a un doute réel sur la

solvabilité du Client, elle est en droit, avant de s'exécuter (plus avant), d'exiger que le Client effectue un paiement anticipatif du prix d'achat, que la livraison ait lieu contre remboursement ou que le Client – à l'appréciation de Hoco Parts – fournisse une caution convenable du montant des sommes, exigibles ou non, que la société a ou aura à faire valoir contre lui en vertu du Contrat.

4. Le Client est en défaut par le seul fait du dépassement d'un délai de paiement. Dans ce cas, toutes les créances que Hoco Parts a à faire valoir contre le Client, à quelque titre que ce soit, sont immédiatement exigibles.
5. Sans autre forme de mise en demeure, le Client est redevable, sur toutes les sommes qu'il n'a pas payées le dernier jour du délai de paiement au plus tard, d'intérêts moratoires à compter de cette date équivalents à l'intérêt légal en vigueur aux Pays-Bas à ce moment-là, majorés de 2 %.
6. Si le Client est en défaut envers Hoco Parts, il est tenu de rembourser entièrement à cette dernière tous les frais judiciaires et extrajudiciaires qu'elle a dû engager en toute légitimité. Les frais extrajudiciaires qu'il devra rembourser seront calculés conformément au Rapport Voorwerk II (rapport du groupe de travail de l'Association des magistrats des Pays-Bas (Nederlandse Vereniging voor Rechtspraak) concernant les frais extrajudiciaires, tel que modifié en 2002), ou à un autre critère qui sera accepté par l'Association des magistrats des Pays-Bas pour le calcul des frais extrajudiciaires au moment où le Client est en défaut.
7. Si, après que le Client a manqué à ses engagements, Hoco Parts lui envoie des rappels ou d'autres demandes de paiement, cela n'affectera en rien les dispositions des paragraphes 9.4., 9.5. et 9.6.

10. Réserve de propriété

1. La propriété des Produits n'est transférée au Client, nonobstant la livraison matérielle, qu'après que ce dernier ait réglé intégralement à Hoco Parts tout ce qu'il lui doit ou lui devra, à quelque titre que ce soit, y compris également le prix d'achat, les éventuels suppléments dus sur le Contrat en application des présentes Conditions, les intérêts, impôts, indemnités et frais, ainsi que les travaux effectués ou à effectuer au sujet des Produits. La réserve de propriété s'étend également aux choses déjà payées, si le Client a encore des obligations envers Hoco Parts du chef d'autres livraisons ou à quelque titre que ce soit.
2. Tant que la propriété des Produits n'est pas transférée au Client, celui-ci n'est pas en droit de louer ni de donner ces produits en jouissance à des tiers, de les engager ou de les grever de charges quelconques au profit de tiers. Le Client n'est en droit de vendre ou de livrer à des tiers les Produits dont Hoco Parts est propriétaire ou d'installer ces Produits, que si cela est indispensable dans le cadre de l'exploitation habituelle du Client. Ces pouvoirs et leur exercice n'affectent en rien les droits de propriété de Hoco Parts, pas plus que son droit de reprendre les Produits, au besoin en défaisant l'installation.
3. La réserve de propriété est maintenue en cas de (re)vente des marchandises par le Client à des sociétés appartenant au groupe du Client ou des sociétés de ce dernier où l'autorité est entre les mains des mêmes parties que celles ayant autorité sur le Client.
4. Le Client est compétent pour disposer des biens livrés et les aliéner dans le cadre de son exploitation normale. Dès la première demande de Hoco Parts, il est cependant tenu dans ce cas de constituer au profit de Hoco Parts un nantissement dormant sur la créance qu'il obtient de la sorte sur des tiers.
5. Si Hoco Parts est propriétaire des Produits, et tant qu'elle l'est, le Client l'informer sans délai par écrit lorsque les Produits, ou les objets dans lesquels ils sont installés, sont saisis, ou lorsque les Produits (ou une pièce quelconque de ces produits) font l'objet d'une autre revendication. En outre, le Client informera Hoco Parts à sa première demande de l'endroit où les produits se trouvent.
6. En cas de saisie, de redressement judiciaire (provisoire), de liquidation judiciaire ou d'assainissement de dettes dans le cadre de la Loi [néerlandaise] d'Assainissement des dettes des Personnes Physiques, le Client fera immédiatement remarquer à l'huissier saisissant, l'administrateur ou le curateur les droits (de propriété) que détient Hoco Parts.

11. Inspection et réclamations

1. Le Client est tenu de contrôler avec précision les unités d'emballage des Produits livrés, immédiatement après leur arrivée à leur lieu de destination, ou, si elle a lieu plus tôt, après leur réception assurée par lui-même ou par un tiers agissant sur son ordre, et de les comparer à la quantité mentionnée sur la lettre de transport ou sur un autre titre de transport.
2. Le Client est tenu d'inspecter lui-même ou de faire inspecter avec précision les Produits livrés, immédiatement après leur arrivée à leur lieu de destination, ou, si elle a lieu plus tôt, après leur réception assurée par lui-même ou par un tiers agissant sur son ordre. Toute réclamation éventuelle sur des vices des Produits doit être communiquée par écrit à Hoco Parts dans les huit (8) jours au plus tard après l'arrivée des Produits.
3. Tout vice n'ayant raisonnablement pas pu être constaté dans le délai mentionné précédemment doit être signalé par écrit à Hoco Parts immédiatement après sa constatation et au plus tard dans les soixante (60) jours après l'arrivée des Produits.
4. Après la découverte d'un vice quelconque, le Client est tenu de mettre fin sur-le-champ à l'utilisation, au traitement ou à l'installation des Produits défectueux.
5. Le Client prêtera tout le concours souhaité par Hoco Parts pour l'examen de la réclamation, en permettant entre autres à cette dernière d'enquêter (de faire enquêter) sur place sur les circonstances de l'utilisation, du traitement ou de l'installation des produits.
6. Le Client n'a pas le droit de présenter au sujet des Produits une réclamation dont Hoco Parts ne peut (plus) contrôler si elle est justifiée ou non.
7. Le Client n'est pas libre de renvoyer les Produits avant que Hoco Parts lui en ait accordé l'autorisation par écrit. Le transport s'effectue toujours aux risques et périls du Client. [Uniquement si la réclamation est faite en temps opportun, correctement et si elle est justifiée, les frais raisonnables de réexpédition seront à la charge de Hoco Parts, à condition que cette dernière les ait acceptés par écrit au préalable].
8. Si le Client présente une réclamation en temps opportun, correcte et justifiée au sujet des vices d'un Produit, la responsabilité qui en découle pour Hoco Parts se limite aux obligations décrites au paragraphe 12, et le Client n'a pas d'autre droit à faire valoir contre Hoco Parts, pas plus qu'il n'est en droit vis-à-vis de cette dernière de résilier totalement ou partiellement le Contrat.
9. Toute réclamation qui n'a pas été signalée à temps à Hoco Parts ou qui n'a pas été communiquée correctement, ne confère au Client aucun droit de nature quelconque vis-à-vis de Hoco Parts.

12. Garantie

1. Hoco Parts garantit que les Produits ne présentent aucun vice et fonctionnent correctement à partir de leur livraison jusqu'à douze (12) mois après leur achat par l'utilisateur final, à condition que le Client, l'intermédiaire et l'utilisateur final respectent toujours à la lettre et entièrement toutes les obligations et prescriptions mentionnées au paragraphe 15. Tous les Produits 'spécial course' sont expressément exclus de la garantie.
2. Si, de l'avis raisonnable de Hoco Parts, il a suffisamment été prouvé que les Produits présentaient des vices ou ne fonctionnaient pas correctement pendant la période mentionnée au paragraphe 12.1, Hoco Parts aura le choix entre remplacer les Produits qui se sont avérés défectueux contre renvoi de ces Produits, soit de les réparer, si besoin est en remplaçant des pièces de rechange, soit encore d'accorder au Client une réduction sur le prix d'achat, fixée d'un commun accord avec ce dernier. En s'acquittant de ce qui précède, Hoco Parts sera totalement déchargée de ses obligations de garantie en la matière et ne sera tenue à aucune autre compensation ou indemnisation.
3. Au cas où des vices, qui auraient facilement pu être immédiatement constatés par une simple inspection du produit, n'auraient pas été immédiatement signalés, Hoco Parts se réserve le droit de ne pas (plus) honorer ses engagements de garantie ou – si elle le fait – de réclamer au Client un dédommagement raisonnable au titre de l'utilisation par le Client du produit défectueux. Ce dédommagement sera

fixé en tenant compte de l'amortissement raisonnable proportionnel au temps par rapport au prix d'achat du produit.

4. Toute garantie est frappée de caducité lorsque le Client fait réparer les Produits par une autre entreprise que Hoco Parts.

13. Responsabilité et dégagelement de responsabilité

1. Sans préjudice des dispositions des paragraphes 11 et 12, et à moins que le préjudice n'ait été causé par dol ou par faute grave de Hoco Parts ou de ses cadres, ou que la responsabilité découle du Titre 3, Section 3, Livre 6 du Code civil [néerlandais], la responsabilité contractuelle et légale de Hoco Parts envers le Client se limite au montant du prix d'achat d'un Produit au sujet duquel est née la responsabilité contractuelle et légale de Hoco Parts.
2. Sauf en cas de dol ou de faute grave de la part de Hoco Parts ou de ses cadres, le Client dégage cette dernière de toutes les prétentions de l'intermédiaire, de l'utilisateur final ou d'un tiers quelconque, également en ce qui concerne tout remboursement, tout préjudice, frais ou intérêt lié aux Produits ou découlant de leur utilisation. Si le Client est poursuivi à ce sujet par l'intermédiaire, l'utilisateur final ou un tiers quelconque, tout recours contre Hoco Parts est exclu, sauf en cas de dol ou de faute grave de la part de celle-ci ou de la part de ses cadres.

14. Propriété intellectuelle

1. Le Contrat ne confère au Client aucun droit de propriété intellectuelle concernant les Produits.
2. Le Client n'est pas autorisé à modifier ou à enlever les signes distinctifs de marque placés sur les Produits ou sur leur emballage, ni de modifier ou d'imiter les Produits ou une partie quelconque d'entre eux.
3. Hoco Parts déclare qu'à sa connaissance, les Produits ne portent aucune atteinte aux droits de propriété intellectuelle de tiers en vigueur aux Pays-Bas. En cas de prétentions de tiers au sujet d'une atteinte à ces droits, Hoco Parts peut remplacer ou modifier si besoin est le Produit concerné, ou bien résilier le Contrat en tout ou partie. Le Client a uniquement le droit de résilier le Contrat si l'on ne peut décemment pas exiger de lui qu'il le maintienne.
4. Le Client mettra Hoco Parts immédiatement au courant de toute prétention d'un tiers au sujet d'une atteinte aux droits de propriété intellectuelle concernant les Produits. En cas d'une telle prétention, Hoco Parts est seule compétente pour faire valoir ses moyens, également au nom du Client, contre cette prétention ou de prendre des mesures

juridiques contre ce tiers, ou bien de prendre un arrangement à l'amiable avec celui-ci. Le Client s'abstiendra de telles mesures, dans la mesure où l'on peut raisonnablement l'exiger de lui. Dans tous les cas, le Client prêtera son concours à Hoco Parts.

15. Autres obligations du Client

1. Le Client garantit que, selon ce que les circonstances requièrent, lui-même, l'intermédiaire et / ou l'utilisateur final veilleront à ce que :
- a. les Produits soient entreposés à un endroit approprié
 - b. les Produits ne soient pas modifiés ni transformés
 - c. le numéro de série et / ou la date de fabrication ne soient ni modifiés ni changés
 - d. Les Produits soient incorporés par des personnes compétentes en la matière qui suivront les instructions à cet effet
 - e. les Produits soient utilisés normalement et avec soin pour le but auquel ils sont destinés
 - f. les Produits soient entretenus régulièrement et correctement et les produits chimiques et autres produits de nettoyage conseillés par Hoco Parts soient utilisés
 - g. les instructions d'emploi et d'entretien fournies par Hoco Parts soient suivies
2. Le Client est tenu d'imposer les dispositions et prescriptions figurant au paragraphe 15.1 comme obligation à sa partie contractante, et d'obliger celle-ci à faire de même pour que ces dispositions et prescriptions soient suffisamment connues de l'utilisateur final.

16. Défaut / résiliation

1. Si le Client ne respecte pas, ou respecte trop tard, une obligation quelconque découlant pour lui d'un contrat quelconque, il est en défaut sans mise en demeure, et Hoco Parts est en droit de :

- suspendre l'exécution du Contrat et des contrats directement y afférents jusqu'à ce que le respect de ce(s) contrat(s) soit suffisamment assuré ;
 - résilier ce contrat et les contrats directement y afférents en tout ou partie; sans que Hoco Parts soit tenue à une indemnisation quelconque envers le Client et sans préjudice des autres droits qui reviennent à Hoco Parts.
2. En cas de redressement judiciaire (provisoire), de liquidation judiciaire, d'immobilisation, ou de liquidation de l'entreprise du Client ou d'assainissement de dettes dans le cadre de la Loi [néerlandaise] d'Assainissement des dettes des Personnes Physiques, tous les Contrats passés avec le Client seront résiliés de plein droit, sauf si Hoco Parts lui fait savoir dans un délai raisonnable qu'il exige de lui le respect d'un ou des contrat(s) ou d'une partie d'entre eux, auquel cas Hoco Parts est en droit, sans mise en demeure :
- de suspendre l'exécution du / des Contrat(s) jusqu'à ce que leur respect par le Client soit suffisamment garanti et / ou
 - de suspendre toutes ses obligations éventuelles vis-à-vis du Client sans que Hoco Parts soit tenue à une indemnisation quelconque et sans préjudice des autres droits qui lui reviennent.
3. Dans chacun des cas mentionnés aux paragraphes 16.1 et 16.2, toutes les créances de Hoco Parts sur le Client sont exigibles sur-le-champ et intégralement, le Client est tenu de rendre sans délai les Produits restés impayés, et Hoco Parts est en droit de pénétrer sur les terrains et dans les bâtiments du Client afin de s'approprier les Produits, et au besoin de démonter à cet effet les Produits installés.

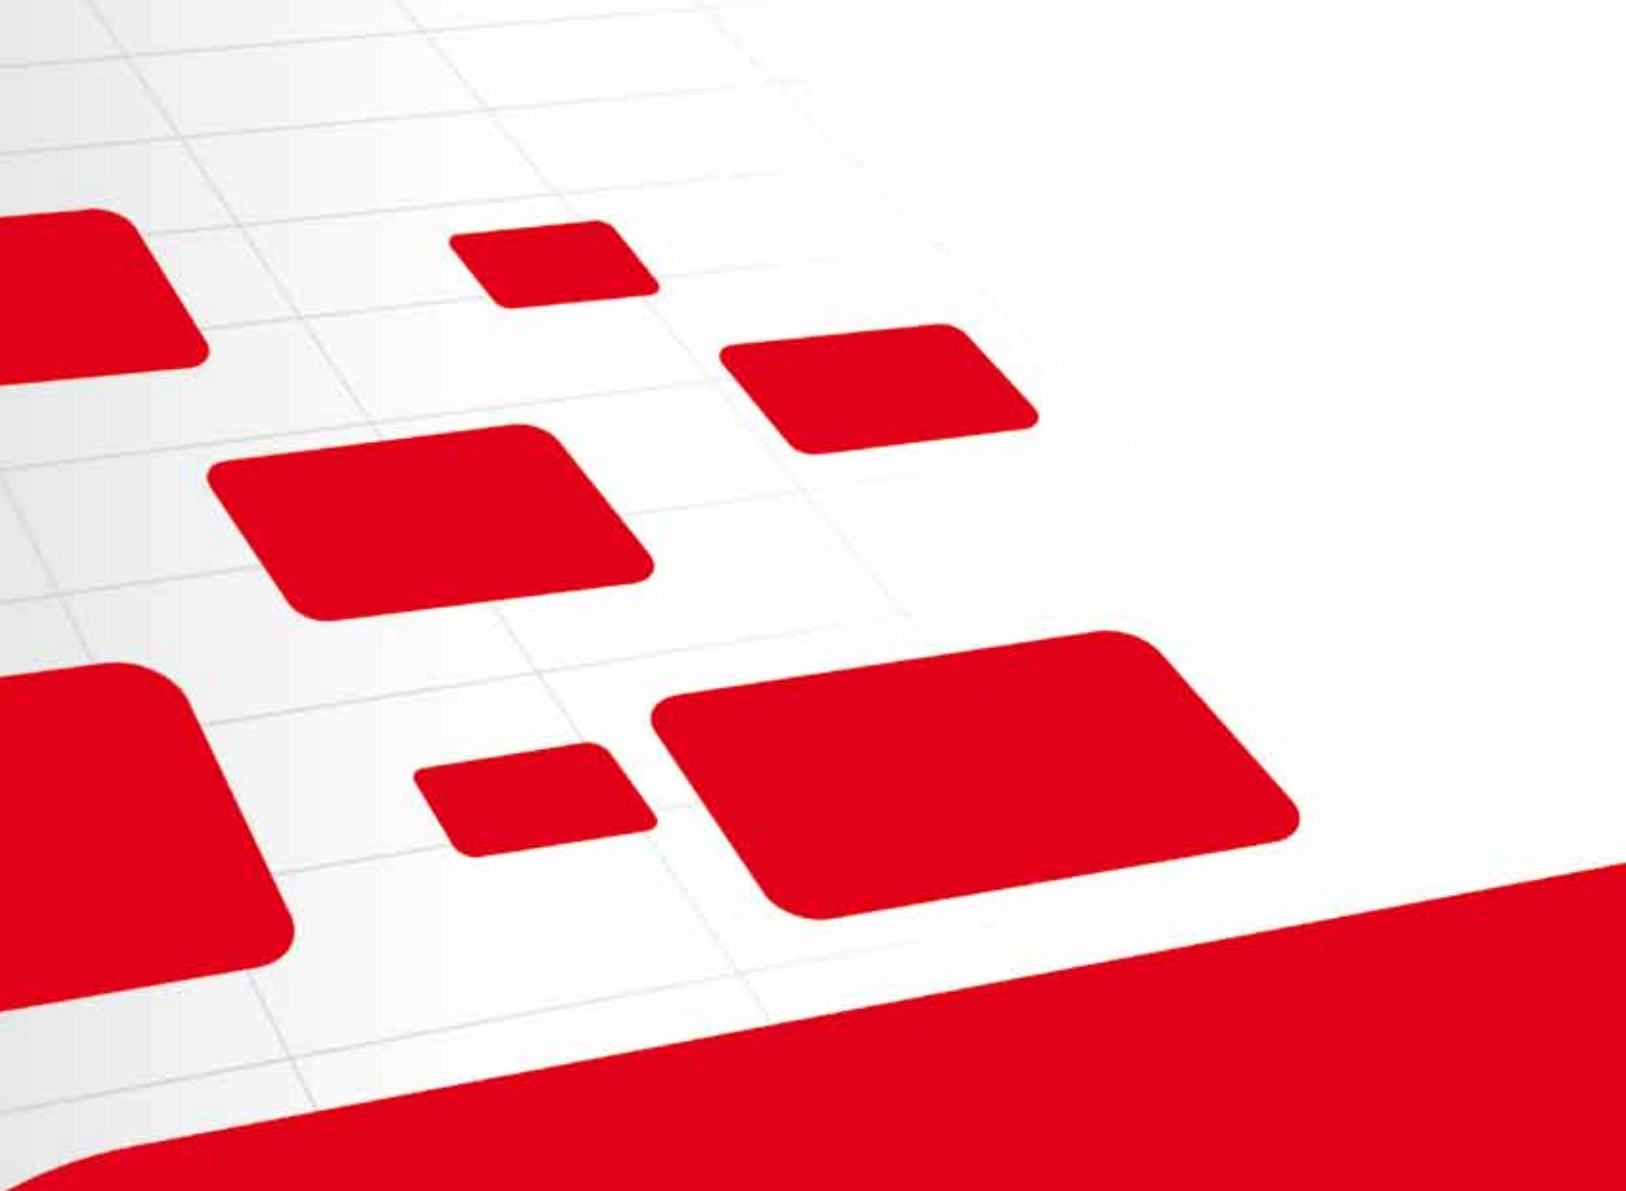

17. Droit applicable – tribunal compétent

1. Le droit néerlandais régit le Contrat et les présentes Conditions.
2. Dans la mesure où la loi ne le prescrit pas autrement de façon impérative, tous les litiges survenant à la suite du Contrat ou des Conditions seront soumis au jugement du tribunal compétent d'Arnhem [Pays-Bas], étant entendu que Hoco Parts a le droit de porter, en même temps ou non, des créances sur le Client devant d'autres juridictions, lesquelles, en vertu des règles de droit nationales ou internationales, sont compétentes pour connaître de ces actions.
3. L'application de la Convention de Vienne sur la vente internationale des biens de 1980 (CISG en anglais) est exclue.
